

## AGENDA

### DAY 1 (October 19)

08:00 - 08:05	<b>Welcome note:</b> Subu Goparaju, Head, SETLabs, Infosys' research and development arm and Yannis C. Yortsos, Dean, University of Southern California (USC) Viterbi School of Engineering
08:05 - 08:25	<b>Inaugural address:</b> <b>N R Narayana Murthy</b> , Chairman of the Board and Chief Mentor, Infosys Technologies via Video Conference via Video Conference
08:25 - 09:05	<b>Keynote address:</b> <b>Professor Barry Boehm</b> , TRW Professor of Software Engineering and Director, Center for Software Engineering, University of Southern California
09:05 - 09:25	<b>Keynote address:</b> <b>S D Shibulal</b> , Chief Operating Officer and Member of the Board, Infosys Technologies
09:25 - 09:45	<b>Address on Innovation Co-creation:</b> <b>Subu Goparaju</b> , Head, SETLabs
<b>09:45 - 10:30</b>	<b>BREAK</b>
<b>10:30 - 12:00</b>	<b>Research-to-Market Showcase: Digital Convergence</b>
10:30 - 11:30	Digital convergence: Demonstrations of research concepts
11:30 - 12:30	Panel discussion on Digital Convergence - Trends, Challenges and Opportunities
<b>12:30 - 13:30</b>	<b>LUNCH</b>
<b>13:30 - 15:00</b>	<b>Research-to-Market Showcase : Software Engineering</b>
13:30 - 14:00	Software engineering: Demonstrations of research concepts
14:30 - 15:00	Panel discussion on Challenges in Exploiting Parallel Architectures for Software Programming
<b>15:00 - 15:30</b>	<b>BREAK</b>
<b>15:30 - 17:00</b>	<b>Research-to-Market Showcase: Knowledge-Driven Information Systems</b>
15:30 - 16:00	Knowledge-Driven Information Systems: Demonstrations of research concepts
16:00 - 17:00	Panel discussion on Trends, Challenges and Opportunities in Text Analytics
19:00 - 22:00	Networking dinner preceded by an address by Yannis C. Yortsos, Dean—USC Viterbi School of Engineering

### DAY 2 (October 20)

09:00 - 09:05	Day 2 Wellcome Note
09:00 - 12:00	<b>Concurrent deep-dive sessions:</b> Digital Convergence, Software Engineering and Knowledge Driven Information Systems and Panel discussion on Smart Energy and Green Communications, and Cloud Computing
12:00 - 12:15	Closing remark
