

## Infosys Technologies Wins Prestigious eBiz Project from Ministry of Commerce and Industry

*Reiterates its Consulting and System Integration Capabilities in the Indian Market*

**Bangalore, India – July 21, 2009:** Infosys Technologies Limited (NASDAQ: INFY) today announced that it has been awarded the eBiz Project by the Department of Industrial Policy and Promotion (DIPP), Ministry of Commerce and Industry, Government of India. The eBiz Project is among the 27 Central, State and Integrated Mission Mode Projects (MMPs) under the National E-Governance Plan (NEGP) of the Government of India.

The scope of work under this agreement includes designing and developing the eBiz platform, establishing the support IT infrastructure, implementing, maintaining and expanding the eBiz solution and services for the next 10 years. As part of the project, Infosys will also undertake training, workshops, promotion and awareness campaigns.

Speaking on the eBiz Project and Infosys' selection, the Union Minister of Commerce and Industry, Shri Anand Sharma said, "The eBiz Project is an ambitious project that the Ministry of Commerce is undertaking, to encourage and develop a conducive business environment in India. Through this project, under the Department of Industrial Policy and Promotion (DIPP), we aim at expanding G2B services and enabling a better business experience in India. I am pleased to announce that after a rigorous competitive selection process, we have chosen Infosys Technologies as our partner for this prestigious project, as it leverages its global consulting experience, focus on quality and strong Indian values of service to design and implement this project."

Through the eBiz project, the Government of India aims to create a customer-centric environment, providing the business community convenient and speedy access to information and services. This 'single window' approach will cater to the requirements of businesses for government-to-business (G2B) services throughout the business life cycle, namely through the pre-establishment, commencement, operations, expansion and when required, closure stages of the business.

Commenting on the win, Binod H.R, Senior Vice President and Head, India Business Unit, Infosys Technologies said, "Being awarded the eBiz Project under DIPP, Ministry of Commerce and Industry, is a significant achievement for Infosys in the Indian market. Through this project, we will be partnering with the Government of India to create better governance, transparency and ease of use for businesses in India."
