

Infosys to Announce Fourth Quarter and Annual Results on April 15, 2014

Bangalore, India and Plano, USA – April 1, 2014: Infosys Limited (NYSE: INFY), a global leader in consulting, technology and outsourcing services, will announce results for its fourth quarter and year ending March 31, 2014 on Tuesday, April 15, 2014, Indian Standard Time (IST) (on the night of Monday, April 14, 2014, US Eastern Time (ET)). The results will also be available on www.infosys.com.

Following the release, Infosys Founder and Chairman, Mr. N.R. Narayana Murthy, CEO and Managing Director; Mr. S.D. Shibulal, CFO; Mr. Rajiv Bansal, and other members of the senior management will comment on the company's performance.

There will be a common television address by Mr. S.D. Shibulal and Mr. Rajiv Bansal at 10:00 a.m. IST on business television channels addressing analyst questions. The common TV address will be streamed live on the Investor Relations section of the Infosys website. This will be followed by a detailed discussion on NDTV Profit from Bangalore at 10:15 a.m. IST on April 15, 2014 (this will not be telecast in the US). An archive of this event will be uploaded on www.infosys.com after 2:00 p.m. IST on April 15, 2014 (after 4:30 a.m. US ET on April 15, 2014).

Earnings call I

(11:30 a.m. - 12:30 p.m. IST; 2:00 a.m. - 3:00 a.m. ET)

The company will conduct an hour-long conference call at 11:30 a.m. IST (2:00 a.m. ET) on April 15, 2014 (open to investors / analysts in all regions), where the senior management will discuss the company's performance and answer questions from participants. To participate in the conference call, please dial the numbers provided below 10 - 15 minutes before the scheduled start time of the call. During this interim, the operator will provide instructions on how to ask questions. As participation in the call is limited, early registration (by calling the numbers 10 - 15 minutes before the scheduled start time) is encouraged.

This event will be webcast live on the Investor Relations section of the Infosys website, following which it will be archived at www.infosys.com. The archive will be available after 2.30 p.m. IST on April 15, 2014 (after 5:00 a.m. US ET on April 15, 2014). In addition, a transcript of the conference call will be available at www.infosys.com.

Earnings call II

(6:00 p.m. – 7:00 p.m. IST; 8:30 a.m. – 9:30 a.m. ET)

The company will also conduct an hour-long conference call at 8:30 a.m. ET (6:00 p.m. IST) on April 15, 2014 (open to investors/analysts in all regions), where the senior management will discuss the company's performance and answer questions from participants. To participate in the conference call, please dial the numbers provided below 10 - 15 minutes before the scheduled start time of the call. During this interim, the operator will provide instructions on how to ask questions. As participation in the call is limited, early registration (by calling the numbers 10 - 15 minutes before the scheduled start time) is encouraged.

This event will be webcast live on the Investor Relations section of the Infosys website and an archive can be accessed at www.infosys.com after 11:00 a.m. ET on April 15, 2014 (after 8:30 p.m. IST on April 15, 2014). A transcript of the conference call will be available at www.infosys.com.

Safe Harbor

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, fluctuations in foreign exchange rates, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal or expiration of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property and general economic conditions affecting our industry. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2013 and on Form 6-K for the quarter ended December 31, 2013. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company unless it is required by law.
