

INFOSYS FINANCIAL SERVICES ALLIANCES ECOSYSTEM

Infosys Financial Services is proud to maintain a robust, global alliance ecosystem.

We collaborate with over 100 global companies to help organizations increase revenue, enhance product offerings, build engaging customer relationships, and mitigate risks.

We are a world leader in reselling and implementing industry solutions with a comprehensive partnership strategy and a vast partner network.

KEY DIFFERENTIATORS

Strong Partner
Network

Innovation
Framework, Tools,
and Accelerators

Proven Expertise
in Large-scale
Implementations

Customized Third-
party Components

THE INFOSYS ADVANTAGE

End-to-end managed services or full-stack partners

Infosys provides a comprehensive range of services, including capability strategy, design, consulting, product implementation, systems integration, solution hosting, quality assurance, and business operations. By leveraging our alliance ecosystem, we offer end-to-end cloud-enabled managed services platforms

Reselling and service integration

We purchase software licenses from OEMs and provide end-to-end support from implementation to maintenance

Industry leading AI

Infosys AI helps organizations scale enterprise-grade AI for their businesses through a comprehensive approach and roadmap. Our integrated offering future-proofs and efficiently scales AI investments enterprise-wide while mitigating risks

Customized IP development for partner products and solutions

We enhance our partners' products to provide greater value and meet the specific requirements of every organization

Worldwide delivery

With more than 63,000 dedicated Infosys Financial Services employees in over 50 countries, we have hundreds of clients that rely on us globally for high-quality services
