Green buildings

All our buildings, new and old, follow the highest standards of sustainability so as to minimize our impact on the environment, while focusing on employee health and productivity. In fiscal 2021, ~1 mn Sq.ft of our new buildings were awarded the highest green building certification.

26 mn Sq.ft

of our workspace accorded highest level of green building certification

Infosys, Hubballi SDB - LEED Platinum certified building

Infosys, Indore SDB – LEED Platinum certified building

Infosys Office Building Standards

Office Building Energy Performance Index

75 kWh/Sq.m per year

Office Building Envelope Heat Gain (Peak)

0.75 W/Sq.ft Built-up area

Office Building Lighting Power Density

0.4 W/Sq.ft

Office Building Electrical Demand (Peak)

3.5 W/Sq.ft built-up area

Office Building Air-conditioning coverage

1 TR of air-conditioning covers 750 Sq.ft

Fresh Air in Air-conditioning

100% fresh air

Office Building Water Demand

25 liter/person per day

Chiller Plant (Air-conditioning) Efficiency

0.55 kW/TR
