Explanatory statement pursuant to Sections 102(1) and 110 of the Companies Act, 2013

Item no. 1 - Approval for the Buyback of Equity Shares of the Company

The Board, in its meeting on April 13, 2017, reviewed and approved a revised Capital Allocation Policy of the Company after taking into consideration the strategic and operational cash requirements of the Company in the medium term. The key aspects of the Capital Allocation Policy are:

1. The Company's earlier policy was to pay dividends of up to 50% of post-tax profits of the financial year. Effective from financial year 2018, the Company expects to payout up to 70% of the free cash flow of the corresponding financial year in such manner (including by way of dividend and / or share buyback) as may be decided by the Board from time to time, subject to applicable laws and requisite approvals, if any. Free cash flow is defined as net cash provided by operating activities less capital expenditure as per the consolidated statement of cash flows prepared under International Financial Reporting Standards as issued by the International Accounting Standards Board (IFRS). Dividend payout includes dividend distribution tax;

2. In addition to the above, the Board had identified an amount of up to **₹ 13,000 crore** (approximately **US\$ 2 billion** based on USD / INR exchange rate as on March 31, 2017) to be paid out to shareholders during financial year 2018, in such manner (including by way of dividend and / or share buyback), to be decided by the Board, subject to applicable laws and requisite approvals, if any.

In line with the above Capital Allocation Policy and with an objective of enhancing shareholder returns, the Board at its meeting held on August 19, 2017 has approved the proposal for recommending Buyback of Equity Shares as contained in the resolution in this Postal Ballot Notice. Given the significant shareholding of U.S. residents by way of ADSs and Equity Shares, it was necessary for the Company to seek and obtain exemptive relief from the U.S. Securities and Exchange Commission ("SEC") on certain aspects of the tender offer procedures, due to conflicting regulatory requirements between Indian and U.S. laws for tender offer buybacks, and the same has been obtained. Since the Buyback

is more than 10% of the total paid-up equity capital and free reserves of the Company, in terms of Section 68(2)(b) of the Act, it is necessary to obtain the consent of the shareholders of the Company, to the Buyback, by way of a Special Resolution. Further, as per Section 110 of the Act read with Rule 22(16) (g) of the Companies (Management and Administration) Rules, 2014, the consent of the shareholders of the Company to the Buyback is required to be obtained by means of postal ballot. Accordingly, the Company is seeking your consent for the aforesaid proposal as contained in the Special Resolution. Requisite details relating to the Buyback are given below:

a) Objective of the Buyback

The Buyback is being undertaken by the Company after taking into account the strategic and operational cash needs in the medium term and for returning surplus funds to the shareholders in an effective and efficient manner. The Buyback is being undertaken for the following reasons:

- i. The Buyback will help the Company to return surplus cash to its shareholders, in proportion to their shareholding, thereby, enhancing the overall returns to shareholders;
- ii. The Buyback is generally expected to improve return on equity and earnings per share by reduction in the equity base, thereby leading to long term increase in shareholders' value;
- iii. The Buyback, which is being implemented through the Tender Offer route would involve allocating to the Small Shareholders the higher of: (a) the number of shares entitled per their shareholding; or (b) 15% of the number of shares to be bought back, as per Regulation 2(1)(1a) of the Buyback Regulations. The Company believes that this reservation for small shareholders would benefit a large number of the Company's public shareholders, who would be classified as "Small Shareholders";
- iv. The Buyback gives an option to the shareholders of the Company, either to participate and get cash in lieu of Equity Shares to be accepted under the Buyback offer or not to participate and get a resultant increase in their percentage shareholding in the Company post the Buyback offer, without additional investment.

b) Method to be adopted for the Buyback

The Buyback shall be on a proportionate basis (subject to the reservation for Small Shareholders), from all the shareholders holding Equity Shares of the Company as on the record date through the "Tender Offer" route, as prescribed under the Buyback Regulations. The Buyback will be implemented in accordance with the Act, Share Capital Rules and the Buyback Regulations, to the extent applicable and on such terms and conditions as may be deemed fit by the Company.

As required under the Buyback Regulations, the Company will announce a record date (the "Record Date") for determining the names of the shareholders holding Equity Shares of the Company who will be eligible to participate in the Buyback. The Record Date is expected to be on or after October 25, 2017.

In due course, each shareholder, holding Equity Shares as on the Record Date, will receive a letter of offer (the "Letter

of Offer") along with a tender / offer form indicating the entitlement of the shareholder for participating in the Buyback. The Equity Shares to be bought back as a part of the buyback is divided in two categories:

- i. Reserved category for Small Shareholders; and
- ii. General category for all other shareholders.

As defined in Regulation 2(1)(1a) of the Buyback Regulations, a "small shareholder" is a shareholder who holds equity shares having market value, on the basis of closing price on the stock exchange having the highest trading volume as on the Record Date, of not more than ₹ 2,00,000/- (Rupees Two Lakh only).

Based on the holding of Equity Shares on the Record Date, the Company will determine the entitlement of each shareholder to tender their shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs. In order to ensure that the same shareholder with multiple demat accounts / folios does not receive a higher entitlement under the Small Shareholder category, the Company proposes to club together the equity shares held by such shareholders with a common Permanent Account Number ("PAN") for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the equity shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds / trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these equity shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar and Transfer Agent as per the shareholder records received from the Depositories.

Shareholders' participation in Buyback will be voluntary. Shareholders holding Equity Shares can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment.

Under the Buyback Regulations, the Buyback must remain open for a fixed period of 10 working days following commencement (the "Tendering Period"). During the Tendering Period, all eligible shareholders who wish to participate in the Buyback must tender their Equity Shares through their stock broker using the separate acquisition window that is created on BSE and NSE, BSE being the designated stock exchange. A shareholder may withdraw tendered Equity Shares during the Tender Period. Upon closing of the Buyback, the transfer agent and the Company

will finalize the allocation to each eligible shareholder who validly tendered Equity Shares.

A shareholder may tender less than, equal to or greater than such shareholder's entitlement. All shareholders, regardless of whether such shareholders are Small Shareholders or general shareholders, who tender up to their respective entitlement will have their Equity Shares accepted. Shareholders holding Equity Shares of the Company may also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any. The maximum number of Equity Shares that can be tendered under the Buyback by any shareholder cannot exceed the number of Equity Shares held by such shareholder as on the Record Date.

The Equity Shares tendered will be accepted as per the procedure laid down in Buyback Regulations. The settlement of the tenders under the Buyback is expected to be done using the "Mechanism for acquisition of shares through Stock Exchange" notified by SEBI vide circular CIR/CFD/POLICYCELL/1/2015 dated April 13, 2015 as amended by circular no. CFD/DCR2/CIR/P/2016/131 dated December 9, 2016, including any amendments thereof. All purchases pursuant to the Buyback will be paid for in Indian Rupees, including holders of Equity Shares who are resident outside India. The Buyback Regulations require that payment for tendered Equity Shares be made within seven working days of the closure of the Buyback offer. The Equity Shares validly tendered and purchased by the Company will be extinguished within seven days of the last date of completion of the Buyback.

Participation in the Buyback by shareholders may have several tax implications in India and in their country of residence. The transaction of Buyback would also be chargeable to securities transaction tax in India. The shareholders are advised to consult their own legal, financial and tax advisors prior to participating in the Buyback. Please refer to www.infosys.com/share-buy-back/ for tax related information for participation in the Buyback.

Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the shareholders holding Equity Shares of the Company as on the Record Date.

SPECIAL NOTE FOR ADS HOLDERS – ACTION REQUIRED TO PARTICIPATE IN THE BUYBACK:

ADS holders will not be eligible to tender ADSs in the Buyback. However, consistent with disclosures previously made in the Company's Form 20-F and in the Prospectuses in connection with the offering and / or listing of ADSs, ADS holders can participate in the Buyback if such ADS holders cancel their respective ADSs and withdraw the underlying Equity Shares to become equity shareholders of the Company as on the Record Date. Therefore, to participate in the Buyback, ADS holders need to submit their desired number of ADSs to Deutsche Bank Trust Company Americas, as ADR depository (the "Depository") for cancellation sufficiently prior to the Record Date and withdraw the underlying Equity Shares such that they are holding Equity Shares as of the Record Date. In order to hold Equity Shares, holders of ADSs will need to establish a brokerage account in India prior to the Record Date to receive

the Equity Shares underlying the ADSs that are withdrawn from the ADS facility. See Section (j) below entitled "Additional Information for Holders of Company's American Depositary Shares" for additional details concerning participation in the Buyback by ADS holders, including the process by which ADS holders can re-deposit into the depository facility any Equity Shares that are withdrawn and not tendered in the Buyback or, if tendered, are not accepted in the Buyback.

c) Maximum amount of funds required under the Buyback and the sources of funds from which the Buyback would be financed

The maximum amount of funds required for the Buyback will not exceed ₹ 13,000 crore (Rupees Thirteen Thousand crore only) excluding transaction costs namely applicable taxes such as securities transaction tax, GST, stamp duty, filing fees, advisors fees, brokerage, public announcement expenses, printing and dispatch expenses and other incidental and related expenses, being 20.51% of fully-paid-up equity share capital and free reserve which is not exceeding 25% of the aggregate of the fully-paid-up equity share capital and free reserves of the Company as per the latest audited Balance Sheet as on June 30, 2017.

The funds for the implementation of the proposed Buyback will be sourced out of the free reserves of the Company (including securities premium account) or such other source as may be permitted by the Buyback Regulations and the Act. Borrowings from Banks and Financial Institutions, if any, will not be used for the Buyback.

d) The Buyback Price and the basis of arriving at the Buyback Price

The Equity Shares of the Company are proposed to be bought back at a price of ₹ 1,150/- (Rupees One Thousand One Hundred and Fifty only) per Equity Share ("Buyback Price"). The Buyback Price has been arrived at after considering various factors including, but not limited to, the trends in the volume weighted average market prices of the Equity Shares on the BSE and the NSE where the Equity Shares are listed, the net worth of the Company, price earnings ratio, impact on other financial parameters and the possible impact of Buyback on the earnings per Equity Share.

The Buyback Price represents:

- (i) Premium of 19.08% and 18.70% over the volume weighted average market price of the Equity Shares on BSE and NSE, respectively, during the three months preceding the date of intimation to the stock exchanges of the Board Meeting to consider the proposal of the Buyback.
- (ii) Premium of 17.73% and 17.92% over the closing price of the Equity Shares on BSE and NSE, respectively, as on August 16, 2017, the date of intimation to the stock exchanges of the Board Meeting to consider the proposal of the Buyback.

The Company confirms that as required under Section 68(2) (d) of the Act, the ratio of the aggregate of secured and unsecured debts owed by the Company after the Buyback will not be more than twice the paid-up capital and its free reserves as on June 30, 2017.

e) Maximum number of shares that the Company proposes to buyback and the time limit for completing the Buyback

The Company proposes to buyback up to 11,30,43,478 Equity Shares of face value of ₹ 5/- each of the Company. The Buyback is proposed to be completed within 12 months from the date of Special Resolution approving the proposed Buyback.

f) Compliance with Section 68(2)(c) of the Act

The aggregate paid-up equity share capital and free reserves as per the latest audited Balance Sheet as on June 30, 2017 on a standalone and consolidated basis is ₹63,386 crore and ₹67,413 crore, respectively. Under the provisions of the Act, the funds deployed for the Buyback cannot exceed 25% of the total paid-up standalone equity share capital and free reserves of the Company i.e. ₹15,847 crore. The maximum amount proposed to be utilized for the Buyback is ₹13,000 crore (Rupees Thirteen Thousand crore only) and is therefore within the limit of 25% of the Company's standalone total paid-up equity capital and free reserves as per the latest audited Balance Sheet as at June 30, 2017. Further, under the Act, the number of Equity Shares that can be bought back in any financial year cannot exceed 25% of the total paid-up equity capital of the Company in that financial year. Accordingly, the maximum number of Equity Shares that can be bought back in the current financial year is 57,42,36,166 Equity Shares. Since the Company proposes to buyback up to 11,30,43,478 Equity Shares, the same is within the aforesaid 25% limit.

Each ADS holder who wishes to cancel their ADSs and receive the Equity Shares represented thereby will be responsible for setting up its own Indian Brokerage Account, including providing any necessary documentation and incurring any fees, charges and expenses in connection therewith. ADS holders may contact any BSE and NSE registered stock broker for this purpose.

ADS holders can apply for a PAN with the Indian Income Tax Department through an online Form 49A at <https://www.onlineservices.nsdl.com/paam/endUserRegisterContact.html>, and following the instructions set forth therein. The process for obtaining a PAN includes, among other things, physical mailing of documentation to and from the Income Tax Department. Accordingly, ADS holders who may wish to participate in the Buyback are encouraged to apply for a PAN as soon as possible after the date of this Postal Ballot Notice.

The Company has been advised that the time for establishing an Indian Brokerage Account (including obtaining a PAN and completing necessary “know your customer” and other documentation) typically takes 21-35 days but ultimately depends on various factors, including the time to complete the requisite documentation, verification of the documentation and governmental agency response time. The Company has been further advised that ADS holders who have established an Indian Brokerage Account, delivered their desired number of ADSs to the Depository for cancellation and provided the Depository with proper Equity Share delivery instructions would typically receive Equity Shares underlying their ADSs within 2 to 3 business days after their ADSs have been cancelled (but ADS holders are advised to allow additional time to ensure that such withdrawal and delivery is completed prior to the Record Date). Keeping in view the aforementioned timelines and that the Record Date is expected to be on or after October 25, 2017 (provided the Buyback is approved by the shareholders), ADS holders have approximately 45-50 days from the date of this Postal Ballot Notice being publicly available to take such steps (including establishing an Indian Brokerage Account, obtaining a PAN from the Indian authorities and withdrawing Equity Shares underlying their ADSs) as may be required to hold Equity Shares as on the Record Date. Accordingly, ADS holders who may wish to participate in the Buyback are encouraged to commence the process to obtain a PAN and establish an Indian Brokerage Account as soon as possible after the date of this Postal Ballot Notice.

A registered ADS holder (“Registered ADS Holder”) may surrender such ADSs to the Depository for cancellation along with a written order directing the Depository to cause the Equity Shares represented by the ADSs to be withdrawn and delivered to an Indian Brokerage Account designated by such Registered ADS Holder (such order being the “Withdrawal Order”). Persons holding their ADSs through a bank, broker or other nominee (“Street Name ADS Holders”) must request such bank, broker or other nominee to surrender the ADSs to be cancelled and provide the Depository with the Withdrawal Order. The Depository has agreed to waive the ADS cancellation fee that would otherwise be payable in connection with the Buyback. Registered ADS Holders should contact the Depository directly to effect a cancellation of their ADSs; Street Name ADS Holders should contact their bank, broker or other nominee for information on how to effect a cancellation of their ADSs.

ADS holders who cancel any ADSs and withdraw the underlying Equity Shares, such that they become holders of Equity Shares as of the Record Date will then be allocated an entitlement that is dependent on the number of Equity Shares held as of the Record Date.

ADS holders are reminded that the Depository will not assist ADS holders or other persons in establishing Indian Brokerage Accounts, applying for or obtaining a PAN or any other matter other than making delivery of the Equity Shares underlying cancelled ADSs to the account designated by the holder of the ADSs being cancelled.

ii. Re-Deposit of Withdrawn Equity Shares.

Equity Shares trade on the NSE and the BSE and cannot be traded on the NYSE, Euronext Paris or Euronext London. There is no guarantee that any ADS holder who submits ADSs for cancellation and withdrawal of the underlying Equity Shares will have any or all of such Equity Shares accepted in the Buyback. The Company has received an intimation from the SEBI that the Depository Receipt Scheme, 2014 issued by the Government of India is presently in vogue. In terms of the scheme, the conversion of ADSs into Equity Shares and vice versa is available to the Company. Accordingly, the re-deposit of the withdrawn Equity Shares against the creation of ADS will be in accordance with the provisions of the Depository Scheme, 2014 and the terms of the ADSs. If an ADS holder withdraws Equity Shares underlying his or her ADSs after the ADS Postal Ballot Cut Off Date, and prior to the last date of the Tendering Period, such ADS holder will be able to re-deposit against the creation of ADSs any of such Equity Shares that are not tendered in the Buyback, or if tendered, are not accepted in the Buyback, and receive in return ADSs representing such re-deposited Equity Shares if such ADS holder has such Equity Shares delivered to the Custodian for the Depository (along with ADS issuance instructions) on or prior to 30 days after expiration of the Tendering Period. The Depository has agreed to waive the ADS issuance fee that would

otherwise be payable in connection with the issuance of ADSs representing such re-deposited Equity Shares during such 30-day period.

Withdrawn Equity Shares for which the aforementioned re-deposit does not occur and / or instruction is not given within such 30-day period, as well as Equity Shares withdrawn prior to the ADS Postal Ballot Cut Off Date or after the last day of the Tendering Period, may only be re-deposited against the creation of ADSs to the extent a specified maximum number of outstanding ADSs would not be exceeded. Accordingly, the Company cannot assure ADS holders that such Equity Shares will be able to be re-deposited against the creation of ADSs. In addition, in these circumstances, the ADS issuance fee would not be waived with respect to the issuance of ADSs representing such Equity Shares.

iii. Buyback Price and Foreign Exchange Considerations.

The Buyback Price is a 17.05% premium to the volume weighted average price of an ADS on the NYSE for the 3 months preceding the date of the notice to the Indian Stock Exchanges of the board meeting to consider the proposal of the Buyback; i.e., August 16, 2017 (being August 15, 2017 in the U.S. as a result of different time zones). The Buyback Price is a 15.56% premium over the closing price of the ADS on the NYSE, as on the date of the notice to the Indian Stock Exchanges of the board meeting to consider the proposal of the Buyback; i.e., August 16, 2017 (being August 15, 2017 in the U.S. as a result of different time zones). The Buyback Price will be paid in Indian rupees. These amounts are based on the exchange rate of ₹64.2428/US\$ as published by the Reserve Bank of India on August 16, 2017. Fluctuations in the exchange rate between the Indian rupee and the U.S. dollar will affect the U.S. dollar equivalent of the Buyback Price and Buyback amount. ADS holders are urged to obtain current exchange rate information before making any decision with respect to the Buyback.

The Buyback Price is a 5.22% premium to the last traded price of an ADS on Euronext Paris on April 4, 2017, being the date on which the last trade was undertaken on Euronext Paris prior to the date of intimation to the stock exchanges of the Board Meeting to consider the proposal of the Buyback. The Buyback Price will be paid in Indian rupees. These amounts are based on the exchange rate of ₹75.3761/Euro as published by the Reserve Bank of India on August 16, 2017. Fluctuations in the exchange rate between the Indian rupee and the Euro will affect the Euro equivalent of the Buyback Price and Buyback amount. ADS holders are urged to obtain current exchange rate information before making any decision with respect to the Buyback.

iv. Tax and Regulatory Considerations.

The withdrawal of Equity Shares underlying ADSs, the re-deposit of Equity Shares not tendered or not accepted in the Buyback against the creation of ADSs, and the sale in the Buyback of Equity Shares withdrawn may have various tax implications in India, the United States, France and other jurisdictions that differ from,

and may be substantially more onerous than, those that would be applicable to sales of ADSs on the NYSE or Euronext Paris. Such tax implications could vary depending on several factors, including the period of holding the securities, the residential status of the holder, the classification of the holder, the nature of the income earned, etc.

India

Withdrawal and Re-Deposit of Equity Shares by ADS Holders. While there are arguments in favour that withdrawal of Equity Shares underlying ADSs should not be subject to Indian capital gains tax, this view is not free from doubt as the law is not very clear on this aspect. In addition, because of the very limited precedent, whether the re-deposit of Equity Shares against the creation of ADSs is subject to Indian taxation is particularly unclear. The Company cannot assure ADS holders that tax will not be imposed or whether the bank, broker or other nominee in India with whom individual ADS holders establish an Indian Brokerage Account will withhold taxes in connection with the re-deposit of such Equity Shares. In light of the foregoing, ADS holders are advised to consult their legal, financial and tax advisors and the bank, broker or other nominee in India with whom they intend to establish an Indian Brokerage Account to understand the potential implications of a withdrawal and re-deposit of Equity Shares prior to their making a request to the Depository to effect the withdrawal of the Equity Shares underlying their respective ADSs.

In addition to the foregoing Indian taxation considerations, ADS holders should consider potential taxation under the laws of their country of residency and other jurisdictions in which they may be subject to taxation arising out of the withdrawal and re-deposit of Equity Shares.

United States

Withdrawal and Re-Deposit of Equity Shares by ADS Holders. For U.S. federal income tax purposes, ADS holders generally will be treated as the owners of Equity Shares underlying such ADSs. Accordingly, withdrawing Equity Shares underlying ADS and re-depositing Equity Shares that are not tendered in the Buyback, or if tendered, are not accepted in the Buyback generally will not be subject to U.S. federal income tax. For further information on the U.S. federal income tax consequences relevant to U.S. holders (as defined therein) of ADSs and / or Equity Shares, please see the Company's Form 20-F.

Tendering Equity Shares in the Buyback. Important information on the tax treatment relevant to tendering Equity Shares in the Buyback will be set forth in a Form 6-K to be furnished by the Company with the SEC on or about the date of this Postal Ballot Notice, as well as in the Letter of Offer to be distributed with respect to the Buyback. ADS holders are advised to review such tax considerations prior to their making a request to the Depository to effect the withdrawal of the Equity Shares underlying their respective ADSs.

EACH ADS HOLDER SHOULD CONSULT ITS OWN TAX ADVISOR WITH RESPECT TO THE FEDERAL, STATE AND LOCAL TAX CONSEQUENCES OF WITHDRAWING AND RE-DEPOSITING EQUITY SHARES, AS WELL AS THE TAX CONSEQUENCES OF PARTICIPATING IN THE BUYBACK.

Please refer to www.infosys.com/share-buy-back/ for tax related information for participation in the Buyback.

v. Further Information

ADS holders are advised to consult their own legal, financial and tax advisors prior to surrendering their ADSs for cancellation, requesting that the Depository effect withdrawal of Equity Shares, and / or participating in the Buyback, including, without limitation, advice related to any related regulatory approvals and other tax considerations, including those in India, U.S., France and other relevant jurisdictions.

ADS holders who require additional information on participation of ADS holders in the Buyback should contact the bank, broker or other nominee utilized in setting up their Indian Brokerage Account.

ADS holders who require additional information on surrendering their ADSs for cancellation and withdrawal of the Equity Shares represented thereby should contact the entity with whom they hold their ADSs.

Certain Tax Considerations for Non-Resident Shareholders related to the Buyback

Set forth below are certain tax considerations related to tendering equity shares of face value of ₹5/- (Rupees five only) each (“Equity Shares”) of Infosys Limited (the “Company”) in the proposed buyback by the Company of Equity Shares on a proportionate basis through the tender offer route (the “Buyback”). The Buyback, together with certain tax considerations related to the withdrawal of Equity Shares underlying American Depositary Shares (“ADSs”) and the re-deposit of Equity Shares not tendered or not accepted in the Buyback against the creation of ADSs, is described in the Postal Ballot Notice dated August 25, 2017 (the “Postal Ballot Notice”), which has been furnished with the U.S. Securities and Exchange Commission on Form 6-K.

Indian Taxation

THE SUMMARY OF THE INCOME-TAX CONSIDERATIONS IN THIS SECTION ARE BASED ON THE CURRENT PROVISIONS OF THE INCOME-TAX ACT, 1961 AND THE REGULATIONS THEREUNDER, THE JUDICIAL AND THE ADMINISTRATIVE INTERPRETATIONS THEREOF, WHICH ARE SUBJECT TO CHANGE OR MODIFICATION BY SUBSEQUENT LEGISLATIVE, REGULATORY, ADMINISTRATIVE OR JUDICIAL DECISIONS. ANY SUCH CHANGES COULD HAVE DIFFERENT INCOME-TAX IMPLICATIONS.

IN VIEW OF THE PARTICULARISED NATURE OF INCOME-TAX CONSEQUENCES, SHAREHOLDERS ARE REQUIRED TO CONSULT THEIR TAX ADVISORS FOR THE APPLICABLE TAX PROVISIONS INCLUDING THE TREATMENT THAT MAY BE GIVEN BY THEIR RESPECTIVE TAX OFFICERS IN THEIR CASE, AND THE APPROPRIATE COURSE OF ACTION THAT THEY SHOULD TAKE.

THE COMPANY DOES NOT ACCEPT ANY RESPONSIBILITY FOR THE ACCURACY OR OTHERWISE OF SUCH ADVICE. THEREFORE, SHAREHOLDERS CANNOT RELY ON THIS ADVICE AND THE SUMMARY INCOME-TAX IMPLICATIONS RELATING TO THE TREATMENT OF INCOME-TAX IN THE CASE OF BUYBACK OF LISTED EQUITY SHARES ON THE RECOGNISED STOCK EXCHANGE IN INDIA SET OUT BELOW SHOULD BE TREATED AS INDICATIVE AND FOR GUIDANCE PURPOSES ONLY.

General: The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is liable to income-tax in India on his worldwide income, subject to certain tax exemptions, which are provided under the Income-tax Act, 1961 (the “Act”).

A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person’s India-sourced income (i.e. income which accrues or arises or deemed to accrue or arise in India) and

income received by such persons in India. In case of shares of a company, the source of income from shares would depend on the “situs” of such shares. As per judicial precedents, generally the “situs” of the shares is where a company is “incorporated” and where its shares can be transferred.

Accordingly, since the Company is incorporated in India, the Company’s shares should be deemed to be “situated” in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the Act.

Further, the non-resident shareholder can avail benefits of the Double Taxation Avoidance Agreement (“DTAA”) between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions including non-applicability of General Anti-Avoidance Rule (“GAAR”) and providing and maintaining necessary information and documents as prescribed under the Act.

The Act also provides for different income-tax regimes/ rates applicable to the gains arising from the buyback of shares, based on the period of holding, residential status, classification of the shareholder and nature of the income earned, etc. The summary of income-tax implications on buyback of listed equity shares on the recognised stock exchange in India is set out below. All references to equity shares herein refer to listed equity shares unless stated otherwise.

Classification of Shareholders: Shareholders can be classified under the following categories:

a. Resident Shareholders being:

- Individuals, Hindu Undivided Family (HUF), Association of Persons (AOP) and Body of Individuals (BOI)
- Others

b. Non Resident Shareholders being:

- Non Resident Indians (NRIs)
- Foreign Portfolio Investors (FPIs)
- Others:
 - Company
 - Other than company

Classification of Income: Shares can be classified under the following two categories:

- a. Shares held as investment (Income from transfer taxable under the heading “Capital Gains”)
- b. Shares held as stock-in-trade (Income from transfer taxable under the heading “Profits and Gains from Business or Profession”)

Gains arising from the transfer of shares may be treated either as “capital gains” or as “business income” for income-tax purposes, depending upon whether such shares were held as a capital asset or trading asset (i.e. stock-in-trade).

Traditionally, the issue of characterization of income arising from sale of shares has been a subject matter of litigation with

the income-tax authorities. There have been various judicial pronouncements on whether gains from transactions in securities should be taxed as “business profits” or as “capital gains”. However, these pronouncements, while laying down certain guiding principles have largely been driven by the facts and circumstances of each case. The apex body of Income-tax has issued Circular No. 6 of 2016, as per which, if the taxpayer opts to consider the shares as stock-in-trade, the income arising from the transfer of such shares would be treated as its business income. Also, if such shares are held for a period of more than 12 months and if the taxpayer desires to treat the income arising from the transfer thereof as “capital gains”, the same should not be put to dispute by the income-tax officers provided such stand is consistently followed by the taxpayer in subsequent years.

Further, investments by FPIs in any securities in accordance with the regulations made under the Securities Exchange Board of India Act, 1992 would be treated as capital asset under the provisions of the Act.

Shares held as investment: As per the provisions of the Act, where the shares are held as investments (i.e. capital asset), income arising from the transfer of such shares is taxable under the head “Capital Gains”. Capital gains on buyback of shares are governed by the provisions of section 46A of the Act and such capital gains in the hands of shareholders would be computed as per provisions of section 48 of the Act. The provisions of buyback tax under section 115QA in Chapter XII-DA of the Act do not apply for shares listed on the recognised stock exchange in India.

Period of holding: Depending on the period for which the shares are held, the gains would be taxable as “short-term capital gain” or “long-term capital gain”:

- In respect of equity shares held for a period less than or equal to 12 months prior to the date of transfer, the same should be treated as a “short-term capital asset”, and accordingly the gains arising therefrom should be taxable as “short term capital gains” (“STCG”).
- Similarly, where equity shares are held for a period more than 12 months prior to the date of transfer, the same should be treated as a “long-term capital asset”, and accordingly the gains arising therefrom should be taxable as “long-term capital gains” (“LTCG”).

Buyback of shares through a recognized stock exchange in India: Where a transaction for transfer of such equity shares (i.e. buyback) is transacted through a recognized stock exchange and is chargeable to Securities Transaction Tax (“STT”), then the taxability will be as under (for all categories of shareholders):

- LTCG arising from such transaction would typically be exempt from tax under section 10(38) of the Act. However, in certain specified cases, the said exemption is available only if purchase of such shares is chargeable to STT; and
- STCG arising from such transaction would be subject to tax at 15% under section 111A of the Act.

Further, in case of resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is considered while computing the income-tax on such STCG taxable under section 111A of the Act.

In addition to the above STCG tax, surcharge, education cess and secondary and higher education cess are leviable (Please see this document for rate of surcharge and cess).

Non-resident shareholders can avail benefits of the DTAA between India and the respective country of which the said shareholder is a tax resident subject to satisfying relevant conditions (including non-applicability of GAAR) and providing and maintaining necessary information and documents as prescribed under the Act.

As an overall point, since the Buyback is to be undertaken on the NSE / BSE, such transaction is chargeable to the STT. STT is a tax payable in India on the value of securities on every purchase or sale of specified securities that are listed on the Recognised Stock Exchanges in India. Currently, the STT rate applicable on the purchase or sale of shares on the stock exchange is 0.1% of the value of the security.

Taxation for American Depositary Shares Holders: As described in more detail in the Postal Ballot Notice, a holder of ADSs of the Company may participate in the Buyback by withdrawing his or her ADSs from the depository facility, acquiring underlying Equity Shares upon such withdrawal and then selling those Equity Shares back to the Company through the NSE / BSE.

There can be no assurance that the Equity Shares offered by an ADS holder in the Buyback will be accepted.

ADS holders are advised to consult their legal, financial and tax advisors for advice prior to participating in the Buyback, including advice related to any related regulatory approvals and tax issues.

- a. The following is a brief summary of capital gains taxation in respect of sale of equity shares received upon the equity share withdrawal on account of buy-back:
 - In order to compute the capital gains, the period of holding of equity shares converted from ADS and cost of acquisition of such shares needs to be determined in the following manner:
 - The period of holding of shares acquired by such non-resident holders on redemption of ADS would be reckoned from the date on which a request for such redemption was made.
 - Cost of acquisition of the shares acquired by non-resident holders on redemption of ADS should be the price of such share prevailing on any recognised stock exchange in India on the date on which a request for redemption was made
 - In relation to period of holding and cost of acquisition, it may be noted that the apex body of Income-tax vide circular no. 19/2015 dated November 27, 2015 had clarified that ‘date on which a request for redemption was made’ shall be the date on which the instruction from foreign depository is received by the local custodian in India requesting the release of underlying shares in favour of the non-resident assessee
 - STT would be levied at the time of transfer of equity shares as part of the Buyback.
 - Long term capital gains on sale of such shares post redemption of ADS should be exempt from tax.

- Short-term capital gains on sale of such shares should be taxed at 15% and further increased by applicable surcharge and cess (please see below on rate of surcharge and cess).
 - Non-resident shareholders can avail benefits of the DTAA between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions (including non-applicability of GAAR) and providing and maintaining necessary information and documents as prescribed under the Act.
- b. Income-tax implications on withdrawal and re-deposit of Equity Shares:
- While there are arguments in favour that conversion of ADS into shares should not be subject to capital gains tax, this view is not free from doubt as law is not very clear on this aspect.
 - The shares which would not be accepted by the Company for buyback could get reconverted into ADS. As far as taxability of such reconversion is concerned, there are two possible views i.e. whether such reconversion of shares into ADS is a taxable transfer and accordingly would attract capital gains tax or vice versa. While there are arguments supporting both the views, the view that such reconversion is not a taxable transfer may be construed to be a better view.

Shares held as stock-in trade: If the shares are held as stock-in-trade by any of the shareholders of the Company, then the gains would be characterized as business income and taxable under the heading “Profits and Gains from Business or Profession.” In such a case, the provisions of section 46A of the Act would not apply.

Resident Shareholders:

- a. For individuals, HUF, AOP, BOI, profits would be taxable at applicable slab rates.
- b. For persons other than stated in (a) above, profits would be taxable at 30%.

No benefit of indexation (inflation adjustment on cost base) by virtue of the period of holding would be available in any case.

Non Resident Shareholders:

- a. Non-resident shareholders can avail benefits of the DTAA between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions (including non-applicability of GAAR) and providing and maintaining necessary information and documents as prescribed under the Act.
- b. Where DTAA provisions are not applicable:
 - For non-resident individuals, HUF, AOP, BOI, profits would be taxable at applicable slab rates.
 - For foreign companies, profits would be taxed in India at 40%.
 - For other non-resident shareholders, such as foreign firms, profits would be taxed in India at 30%.

In addition to the above, surcharge, education cess and secondary and higher education cess are leviable. (Please see below for rate of surcharge and cess).

Tax Deduction at Source:

In case of Resident Shareholders: In absence of any specific provision under the Act, the Company is not required to deduct tax on the consideration payable to resident shareholders pursuant to the Buyback.

In case of Non-resident Shareholders:

In case of FPIs: Section 196D of the Act provides for specific exemption from withholding tax in case of capital gains arising in hands of FPIs. Thus, no withholding of tax is required in case of consideration payable to FPIs

In case other than FPIs: Section 195(1) of the Act provides that any person responsible for paying to a non-resident, any sum chargeable to tax is required to deduct tax at source (including applicable surcharge and cess). Subject to regulations in this regard, wherever applicable and it is required to do so, tax at source (including applicable surcharge and education cess) shall be deducted at appropriate rates as per the Act. In doing this, the Company will be guided by generally followed practices and make use of data available in its records except in cases where the non-resident shareholders provide a specific mandate in this regard.

Since the Buyback is through the Recognised Stock Exchanges in India, the responsibility of discharge of the tax due on the gains (if any) is primarily on the non-resident shareholder given that practically it is very difficult to withhold taxes. It is therefore important for the non-resident shareholders to suitably compute such gains (if any) on this transaction and immediately pay taxes in India in consultation with their custodians, authorized dealers and/or tax advisors, as appropriate.

Certain Material U.S. Federal Income Tax Consequences

The following is a summary of certain material U.S. federal income tax consequences that may be relevant with respect to a participation in the buyback of Equity Shares to U.S. holders (as defined below) and is for general information only. For purposes of this discussion, “U.S. holders” are individuals who are citizens or residents of the United States, corporations (or other entities treated as corporations for U.S. federal income tax purposes) created in or under the laws of the United States or any political subdivision thereof or therein, estates, the income of which is subject to U.S. federal income taxation regardless of its source and trusts having a valid election to be treated as U.S. persons in effect under U.S. Treasury Regulations or for which a U.S. court exercises primary supervision and a U.S. person has the authority to control all substantial decisions.

This summary is limited to U.S. holders who hold Equity Shares or ADSs as capital assets. In addition, this summary is limited to U.S. holders who are not residents in India for purposes of the Convention between the Government of the United States of America and the Government of the Republic of India for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes on Income (the “[Treaty](#)”). If a partnership (or an entity treated as a partnership for U.S. federal income tax purposes) holds the Equity Shares or ADSs, the tax treatment of a partner will generally depend upon the status of the partner and upon the activities of the partnership. A partner in a partnership holding Equity Shares or ADSs should consult its own tax advisor.

This summary does not address any tax considerations arising under the laws of any U.S. state or local or non-U.S. jurisdiction, potential application of the Medicare contribution tax on net investment income, or tax considerations under any U.S. non-income tax laws. In addition, this summary does not address tax considerations applicable to holders that may be subject to special tax rules, such as banks, insurance companies, regulated investment companies, real estate investment trusts, financial institutions, dealers in securities or currencies, tax-exempt entities, persons liable for alternative minimum tax, persons that hold Equity Shares or ADSs as a position in a “straddle” or as part of a “hedging” or “conversion” transaction for tax purposes, persons holding ADSs or Equity Shares through partnerships or other pass-through entities, persons that have a “functional currency”

other than the U.S. dollar or holders of 10% or more, by voting power or value, of the shares of the Company. This summary is based on the tax laws of the United States as in effect on the date of this document and on U.S. Treasury Regulations in effect or, in some cases, proposed, as of the date of this document, as well as judicial and administrative interpretations thereof available on or before such date and is based in part on the assumption that each obligation in the Deposit Agreement and any related agreement will be performed in accordance with its terms. All of the foregoing is subject to change, which change could apply retroactively and could affect the tax consequences described below.

EACH PROSPECTIVE PARTICIPANT IN THE BUYBACK SHOULD CONSULT ITS OWN TAX ADVISOR WITH RESPECT TO THE U.S. FEDERAL, STATE, LOCAL AND NON-U.S. TAX CONSEQUENCES OF PARTICIPATING IN THE BUYBACK.

Ownership of ADSs. For U.S. federal income tax purposes, U.S. holders generally will be treated as the owners of Equity Shares represented by such ADSs. Accordingly, the conversion of ADSs into Equity Shares to participate in the Buyback, and the conversion of Equity Shares that are not tendered in the Buyback, or if tendered, are not accepted in the Buyback, into ADSs generally will not be subject to U.S. federal income tax.

Tax Treatment of Buyback. An exchange of Equity Shares for cash by a U.S. holder pursuant to the Buyback will be a taxable transaction for U.S. federal income tax purposes. In such case, depending on the applicable U.S. holder’s particular circumstances, such tendering U.S. holder will be treated either as recognizing gain or loss from the disposition of the Equity Shares or as receiving a distribution from the Company.

Under Section 302 of the Internal Revenue Code, a tendering U.S. holder will recognize gain or loss on the exchange of Equity Shares for cash if the exchange:

- results in a “substantially disproportionate” redemption with respect to such U.S. holder; or
- is “not essentially equivalent to a dividend” with respect to the U.S. holder.

An exchange of Equity Shares for cash generally will be a substantially disproportionate redemption with respect to a U.S. holder if the percentage of the voting stock owned by such U.S. holder immediately after the exchange is less than 80% of the percentage of the voting stock owned by such U.S. holder immediately before the exchange and after the exchange the U.S. holder owns less than 50% of the total combined voting power of all classes of stock entitled to vote. In applying the Section 302 tests, each U.S. holder must take into account Equity Shares and ADSs that such U.S. holder constructively owns under certain attribution rules, pursuant to which a U.S. holder will be treated as owning any Equity Shares and ADSs owned by certain family members (which family attribution, in certain circumstances, may be waived) and related entities, and Equity Shares and ADSs that the U.S. holder has the right to acquire by exercise of an option. Each U.S. holder is expected to consult with its own tax advisor with respect to the application of such attribution rules given such U.S. holder’s particular circumstances.

If an exchange of Equity Shares for cash fails to satisfy the “substantially disproportionate” test, the U.S. holder may nonetheless satisfy the “not essentially equivalent to a dividend” test. An exchange of Equity Shares for cash will satisfy the “not essentially equivalent to a dividend” test if it results in a “meaningful reduction” of the U.S. holder’s equity interest in the company given such U.S. holder’s particular facts and circumstances. The Internal Revenue Service (the “IRS”) has indicated in published rulings that a relatively minor reduction of the proportionate equity interest of a U.S. holder whose relative equity interest is minimal and who does not exercise any control over or participate in the management of corporate affairs should be treated as “not essentially equivalent to a dividend.” Each U.S. holder should consult its tax advisors regarding the application of the rules of Section 302 in its particular circumstances. Because the Section 302 tests are applied on a stockholder by stockholder basis, the Buyback may be a sale or exchange for certain U.S. holders and a distribution for others.

Sale or Exchange: Subject to the “passive foreign investment company” (“PFIC”) rules described below, if a U.S. holder is treated as recognizing gain or loss for U.S. federal income tax purposes from the disposition of Equity Shares for cash, such gain or loss will be equal to the difference between the U.S. dollar value of the amount realized and the U.S. holder’s tax basis, determined in U.S. dollars, in the Equity Shares. Gain or loss recognized will be long-term capital gain or loss with respect to Equity Shares held for more than 12 months at the time of the sale or other disposition and any gain recognized generally will be income from sources within the United States for foreign tax credit limitation purposes. Long-term capital gains of non-corporate U.S. holders are generally taxed at preferential rates. Capital gains realized by a U.S. holder upon sale of Equity Shares may be subject to tax in India, including withholding tax. See “Indian Taxation” above. Due to limitations on foreign tax credits, however, a U.S. holder may not be able to utilize any such taxes as a credit against the U.S. holder’s federal income tax liability. U.S. holders should consult their own tax advisors regarding the tax treatment to them if the Buyback is treated as a sale or exchange.

Distribution: If a U.S. holder is not treated under the Section 302 tests as recognizing gain or loss on an exchange of Equity Shares for cash, such U.S. holder will be treated as having received a distribution from the Company. The gross amount of the distribution will generally be treated as dividend income to the extent made from the current or accumulated earnings and profits (as determined under U.S. federal income tax principles) of the Company. Such dividends will not be eligible for the dividends received deduction generally allowed to corporate U.S. holders. To the extent, if any, that the amount of the Buyback exceeds the Company’s current and accumulated earnings and profits as determined under U.S. federal income tax principles, such excess will be treated first as a tax-free return of the U.S. holder’s tax basis in the Equity Shares and thereafter as capital gain.

The Company does not intend to calculate its earnings and profits according to U.S. tax accounting principles. Accordingly, notwithstanding the discussion in the preceding paragraphs, if the Buyback is treated as a distribution on Equity Shares, such distribution will generally be taxed as a

dividend for U.S. tax purposes.

Subject to certain conditions and limitations, including the PFIC rules described below, dividends paid to non-corporate U.S. holders, including individuals, may be eligible for a reduced rate of taxation if the Company is deemed to be a “qualified foreign corporation” for U.S. federal income tax purposes. A qualified foreign corporation includes a foreign corporation if (1) its shares are readily tradable on an established securities market in the United States, or (2) it is eligible for the benefits under a comprehensive income tax treaty with the United States, including the Treaty. Based on existing guidance, it is not clear whether a dividend on an Equity Share will be treated as a qualified dividend, because the Equity Shares are not themselves listed on a U.S. exchange. However, the Company may be eligible for benefits under the Treaty. A corporation is not a qualified foreign corporation if it is a PFIC in the current taxable year or the prior taxable year (as discussed below).

EACH U.S. HOLDER SHOULD CONSULT HIS, HER OR ITS OWN TAX ADVISOR REGARDING THE TREATMENT OF DIVIDENDS AND SUCH HOLDER’S ELIGIBILITY FOR REDUCED RATE OF TAXATION UNDER THE LAW IN EFFECT FOR THE YEAR OF THE DIVIDEND AND WHETHER ANY FOREIGN TAX CREDITS ARE AVAILABLE TO IT IN RESPECT OF INDIAN WITHHOLDING TAX, IF ANY.

Passive Foreign Investment Company: A non-U.S. corporation will be classified as a PFIC for U.S. Federal income tax purposes if either:

- 75% or more of its gross income for the taxable year is passive income; or
- on average for the taxable year by value, if 50% or more of its assets produce or are held for the production of passive income.

The Company does not believe that it satisfies either of the tests for PFIC status for the fiscal year ended March 31, 2017, and the Company does not expect to satisfy either of the tests for the fiscal year ending March 31, 2018. However, because this determination is made on an annual basis and depends on a variety of factors (including the Company’s market capitalization), no assurance can be given that the Company was not considered a PFIC for the fiscal year ended March 31, 2017, or that the Company will not be considered a PFIC for the current fiscal year and/or future fiscal years. If the Company were to be a PFIC for any taxable year, U.S. holders would be required to pay an interest charge together with tax calculated at an ordinary income rates on “excess distributions,” as the term is defined in relevant provisions of U.S. tax laws, and on any gain on a sale or other disposition of Equity Shares, unless a U.S. holder makes a “QEF election” or a “mark-to-market” election, as described below. In addition, individual U.S. holders will not be eligible for the reduced rates of dividend taxation described above if the Company is a PFIC for the fiscal year of the dividend payment or the preceding taxable year.

If the Company is a PFIC in any year, so long as the Equity Shares or ADSs are and remain “marketable,” a U.S. holder may be able to avoid the excess distribution rules described above by having made a timely so-called “mark-to-market”

election with respect to such U.S. holder's Equity Shares or ADSs. The Equity Shares or ADSs will be "marketable" as long as they remain regularly traded on a national securities exchange, such as the New York Stock Exchange, or a foreign securities exchange that is regulated or supervised by a governmental authority of the country in which the market is located. A mark-to-market election will be effective for the taxable year for which the election is made and for all subsequent taxable years, unless the Equity Shares or ADSs are no longer regularly traded on a qualified exchange or the IRS consents to the revocation of the election. However, because a mark-to-market election cannot be made for any lower-tier PFICs that the Company may own, a U.S. holder may continue to be subject to the PFIC rules with respect to any indirect interest in any investments held by the Company that are treated as an equity interest in a PFIC for U.S. federal income tax purposes, including the Company's subsidiaries. U.S. holders should consult their own tax advisors with respect to making a mark-to-market election and the tax consequences of the Buyback if such an election is in effect.

In addition, if the Company is a PFIC in any year, a U.S. holder might be able to avoid the excess distribution rules described above by making a timely so-called "qualified electing fund," or QEF, election to be taxed currently on his, her or its pro rata portion of the Company's income and gain. However, the Company has not provided and does not plan to provide information necessary for the QEF election, so such election would not have been available to U.S. holders.

In addition, certain information reporting obligations on IRS Form 8621 may apply to U.S. holders if the Company is determined to be a PFIC, including in the year of a sale or disposition.

Backup Withholding Tax and Information Reporting. Any dividends paid, or proceeds on a sale of, Equity Shares to or by a U.S. holder may be subject to U.S. information reporting, and backup withholding, currently at a rate of 28%, may apply unless such holder is an exempt recipient or provides a U.S. taxpayer identification number, certifies that such holder is not subject to backup withholding and otherwise complies with any applicable backup withholding requirements. Any amount withheld under the backup withholding rules will be allowed as a refund or credit against the holder's U.S. federal income tax, provided that the required information is furnished to the IRS.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A COMPLETE ANALYSIS OF ALL TAX CONSEQUENCES RELATING TO PARTICIPATION IN THE BUYBACK. YOU SHOULD CONSULT WITH YOUR OWN TAX ADVISORS REGARDING THE APPLICATION OF THE U.S. FEDERAL INCOME TAX LAWS TO YOUR PARTICULAR CIRCUMSTANCES, AS WELL AS ANY ADDITIONAL TAX CONSEQUENCES RESULTING FROM PARTICIPATION IN THE BUYBACK, INCLUDING THE APPLICABILITY AND EFFECT OF THE TAX LAWS OF ANY STATE, LOCAL OR NON-U.S. JURISDICTION AND ANY ESTATE, GIFT AND INHERITANCE LAWS.
