The Company sought approval of its shareholders for the said Buyback, by a special resolution, through the Postal Ballot Notice dated August 25, 2017. The shareholders approved the said proposal of Buyback of Equity Shares and the results of the postal ballot were announced on October 9, 2017, which are available on the websites of the Indian Stock Exchanges at www.bseindia.com and www.nseindia.com. The Company was thus authorized to buy back a number of Equity Shares not exceeding 11,30,43,478, from the holders of Equity Shares as on the Record Date, for an amount not exceeding ₹ 13,000 crore (Rupees Thirteen Thousand crore only). The Offer Size does not include transaction costs, namely applicable taxes such as securities transaction tax, GST, stamp duty, filing fees, advisors' fees, brokerage, public announcement expenses, printing and dispatch expenses and other incidental and related expenses. The Offer Size is 20.51% of the total paid-up equity share capital and free reserves of the Company as per the audited standalone Balance Sheet as on June 30, 2017. The Buyback offer will comprise a purchase of up to 11,30,43,478 Equity Shares, aggregating up to 4.92% of the paid-up equity shares of the Company as on June 30, 2017 at a price of ₹ 1,150/- (Rupees One Thousand One Hundred and Fifty only) per Equity Share on a proportionate basis through the "Tender Offer" route, in accordance and consonance with the provisions contained in the Buyback Regulations, the Act, Share Capital Rules and Management Rules, as amended.

The Indian Stock Exchanges, NYSE, Euronext Paris and Euronext London collectively, are referred to as "Stock Exchanges".

- 6.3. Under applicable Indian laws, holders of American Depositary Shares (“**ADSs**”) will not be eligible to tender ADSs in the Buyback. As intimated in the Postal Ballot Notice dated August 25, 2017 (refer to section (j) of the explanatory statement attached to the Postal Ballot Notice – Additional Information for Holders of the Company’s American Depositary Shares), in order for the ADS holders to participate in the Buyback, they must have previously taken certain actions in order to withdraw the Equity Shares underlying the ADSs held by them in advance of the Record Date and should have become holders of Equity Shares on the Record Date. In the Postal Ballot Notice, the Company had intimated that ADS holders had approximately 45-50 days from the date of the Postal Ballot Notice to take such steps as may be required for ADS holders to hold Equity Shares as on the Record Date. ADS holders are advised to read paragraph 23.6 of this Letter of Offer, “Participation by ADS Holders” for additional details concerning participation in the Buyback by ADS holders.

- 6.6. The aggregate paid-up share capital and free reserves of the Company as per the audited Balance Sheet as on June 30, 2017 on a standalone and consolidated basis is ₹ 63,386 crore and ₹ 67,413 crore, respectively. Under the provisions of the Act, the maximum amount utilized for the Buyback shall not exceed 25% of the total paid-up capital and free reserves of the Company, as per the audited standalone financial statements of the Company as on June 30, 2017, i.e., ₹ 15,847 crore. The maximum amount proposed to be utilized for the Buyback offer is ₹ 13,000 Crore (Rupees Thirteen Thousand Crore only), excluding brokerage and other costs and is therefore within the limit of 25% of the Company’s total paid-up equity capital and free reserves, as per the audited standalone Balance Sheet as on June 30, 2017. The maximum amount proposed to be utilized for the Buyback is also within the limit of 25% of the Company’s consolidated total paid-up equity capital and free reserves as per the audited consolidated Balance Sheet as on June 30, 2017.
- 6.7. Further, under the Act, the number of equity shares that can be bought back in any financial year cannot exceed 25% of the fully paid-up Equity Shares of the Company in that financial year. Accordingly, the maximum number of Equity Shares that can be bought back in the current financial year is 57,42,36,166 Equity Shares (calculated on the basis of the total paid-up equity capital of the Company as on June 30, 2017). As the Company proposes to buy back up to 11,30,43,478 Equity Shares, which aggregates up to 4.92% of the paid-up Equity Shares of the Company as on June 30, 2017, the same is within the aforesaid 25% limit.
- 6.8. In terms of the Buyback Regulations, under Tender Offer route, the Promoters of the Company have an option to participate in the Buyback. In this regard, some of the Promoters of the Company have expressed their intention, via their letters dated August 24, 2017 and August 25, 2017, to participate in the Buyback and may tender up to a maximum of 1,77,29,998 Equity Shares or such lower number of Equity Shares in compliance with the Buyback Regulations/terms of the Buyback. The extent of their participation in the Buyback has been detailed in paragraph 11.5 of this Letter of Offer.
- 6.9. Pursuant to the proposed Buyback and depending on the response to the Buyback, the voting rights of the Promoters in the Company, which constitute 12.75% of the total equity capital and voting rights of the

Company as on date of the Public Announcement, may change. We confirm that after the completion of the Buyback, the public shareholding of the Company shall not fall below the minimum level required as per Regulation 38 of the Listing Regulations. Any such change in the voting rights of the Promoters post conclusion of buyback will not result in any change in control over the Company.

7. AUTHORITY FOR THE BUYBACK

- 7.1. The Buyback is being undertaken by the Company in accordance with Article 14 of its Articles of Association, the provisions of Sections 68, 69, 70 and 110 and all other applicable provisions of the Act, the rules thereunder and the Buyback Regulations. The Buyback is subject to such other approvals and permissions as may be required from statutory, regulatory or governmental authorities under applicable laws.
- 7.2. The Board at its meeting dated August 19, 2017 passed a resolution approving the Buyback of Equity Shares of the Company and sought approval of its Shareholders, by a special resolution, through a Postal Ballot Notice dated August 25, 2017. The Shareholders of the Company have approved the Buyback by way of a special resolution, through the postal ballot concluded on October 7, 2017.

8. NECESSITY AND BASIS FOR THE BUYBACK

- 8.1. The Board, in its meeting on April 13, 2017, reviewed and approved a revised Capital Allocation Policy of the Company after taking into consideration the strategic and operational cash requirements of the Company in the medium term.
- 8.2. As part of the Capital Allocation Policy, the Board had identified an amount of up to ₹ 13,000 crore (approximately US\$ 2 billion based on USD / INR exchange rate as on March 31, 2017) to be paid out to shareholders during financial year 2018, in the manner to be decided by the Board, subject to applicable laws and requisite approvals, if any.
- 8.3. In line with the above and with an objective of enhancing shareholder returns, the Board at its meeting held on August 19, 2017 approved the proposed Buyback. Given the significant shareholding of U.S. residents by way of ADSs and Equity Shares, it was necessary for the Company to seek and obtain exemptive relief from the SEC on certain aspects of the tender offer procedures, due to conflicting regulatory requirements between Indian and U.S. laws for tender offer buybacks, and the same has been obtained. As the Buyback is more than 10% of the total paid-up equity capital and free reserves of the Company, in terms of Section 68(2)(b) of the Act, it was necessary to obtain the consent of the shareholders of the Company to the Buyback by way of a special resolution. Accordingly, as per Section 110 of the Act read with Rule 22(16)(g) of the Management Rules, the consent of the shareholders of the Company to the Buyback was obtained by means of postal ballot, the results of the same were declared on October 9, 2017.
- 8.4. The Buyback is being undertaken by the Company in line with the Capital Allocation Policy of the Company approved by the Board on April 13, 2017 after taking into account the strategic and operational cash needs of the Company in the medium term. The Buyback is being undertaken for the following reasons:
- (a) The Buyback will help the Company to return surplus cash to its shareholders in proportion to their shareholding, thereby enhancing the overall returns to shareholders;
 - (b) The Buyback is generally expected to improve return on equity and Earnings Per Share by reducing the equity base;
 - (c) The Buyback, which is being implemented through the Tender Offer route would involve allocation to the Small Shareholders the higher of: (a) the number of Equity Shares entitled per their shareholding; or (b) 15% of the number of Equity Shares to be bought back, as per Regulation 2(1)(la) of the Buyback Regulations. The Company believes that this reservation for small shareholders would benefit a large number of the Company's public shareholders, who would be classified as "Small Shareholders";

- (d) The Buyback gives an option to the shareholders of the Company, either to participate and get cash in lieu of Equity Shares to be accepted under the Buyback offer or not to participate and enjoy a resultant increase in their percentage shareholding in the Company following the Buyback offer, without additional investment as a result of decrease in the paid-up Equity Share Capital.

9. MAXIMUM NUMBER OF SECURITIES THAT THE COMPANY PROPOSES TO BUY BACK

The Company proposes to buy back up to 11,30,43,478 (Eleven Crore Thirty Lakh Forty Three Thousand Four Hundred and Seventy Eight only) Equity Shares of face value of ₹5/- each of the Company.

10. MAXIMUM AMOUNT REQUIRED UNDER THE BUYBACK

- 10.1. The maximum amount of funds required for the Buyback will not exceed ₹ 13,000 Crore (Rupees Thirteen Thousand Crore only), excluding transaction costs, namely applicable taxes such as securities transaction tax, GST, stamp duty, filing fees, advisors fees, brokerage, public announcement expenses, printing and dispatch expenses and other incidental and related expenses. The Offer Size is 20.51% of total fully paid-up share capital and free reserves of the Company on a standalone basis, which is within the stipulated limit of 25% of the aggregate of the fully paid-up share capital and free reserves of the Company as on June 30, 2017.
- 10.2. The funds for the implementation of the proposed Buyback will be sourced out of the free reserves of the Company (including securities premium account) or such other source as may be permitted by the Buyback Regulations or the Act.
- 10.3. Borrowings from banks and financial institutions, if any, will not be used for the Buyback.

11. MANAGEMENT DISCUSSION AND ANALYSIS ON LIKELY IMPACT OF THE BUYBACK ON THE COMPANY

- 11.1. The Buyback is not likely to cause any material impact on the profitability/earnings of the Company, except to the extent of reduction in the amount available for investment, which the Company could have otherwise deployed towards generating investment income. In the event that there is 100% acceptance of the Equity Shares tendered in the Buyback from Shareholders on a proportionate basis, the funds deployed by the Company towards the Buyback would be up to ₹ 13,000 Crore /- (Rupees Thirteen Thousand Crore only) excluding brokerage and other costs. This shall impact the investment income earned by the Company, on account of the reduced amount of funds available for investments.
- 11.2. The Buyback is not expected to impact growth opportunities for the Company.
- 11.3. The Buyback is generally expected to contribute to the overall enhancement of shareholder value.
- 11.4. The Buyback will not result in a change in control or otherwise affect the existing management structure of the Company.
- 11.5. In terms of the Buyback Regulations, under the Tender Offer route, the Promoters of the Company have the option to participate in the Buyback. In this regard, some of the Promoters of the Company have informed the Company via their letter(s) dated August 24, 2017 and August 25, 2017 regarding their intention to participate in the Buyback and accordingly may tender up to a maximum of 1,77,29,998 Equity Shares as mentioned in the table below or such lower number of Equity Shares in compliance with the Buyback Regulations / terms of the Buyback. The Company proposes to buy back up to 11,30,43,478 Equity Shares from all the Eligible Shareholders, on a proportionate basis (subject to the reservation for Small Shareholders), through the Tender Offer route at a price of ₹ 1,150/- (Rupees One Thousand One Hundred and Fifty only) per Equity Share, payable in cash for an aggregate amount of up to ₹ 13,000 Crore/- (Rupees Thirteen Thousand Crore only) (being less than 25% of the total paid-up equity capital and free reserves of the Company as per the audited standalone financial statements of the Company as on June 30, 2017). The maximum number of Equity Shares proposed to be bought back represents 4.92% of the total paid-up equity share capital of the Company. The Buyback is in accordance with Article 14 of the Articles of Association of the Company and subject to the provisions of Sections 68, 69, 70 and 110 and all other applicable provisions, if any, of the Act and in compliance with Buyback Regulations and subject to such other approvals, permissions and sanctions as may be necessary, from time to time from statutory authorities including but not limited to SEBI, the Stock Exchanges, RBI etc.
- 23.2. The Company expresses no opinion as to whether Eligible Shareholders should participate in the Buyback, and accordingly, Eligible Shareholders are advised to consult their own advisors to consider participation in the Buyback.
- 23.3. As on the date of the Public Announcement, the aggregate shareholding of the Promoters / persons in control was 29,28,06,199 Equity Shares, which represents 12.75% of the existing equity share capital of the Company. In terms of the Buyback Regulations, under the Tender Offer route, the Promoters of the Company have the option to participate in the Buyback. In this regard, some of the Promoters as listed in paragraph 11.5 of this Letter of Offer have expressed their intention, vide their letters dated August 24, 2017 and August 25, 2017 to participate in the Buyback and offer up to an aggregate maximum of 1,77,29,998 Equity Shares or such lower number of Equity Shares as permitted under applicable laws.
- 23.4. Assuming 100% of the Eligible Shareholders elect to fully participate in the Buyback up to their Buyback Entitlement, post Buyback the aggregate shareholding of the Promoters will be 28,21,42,529 Equity Shares, representing 12.92% of the post Buyback equity share capital of the Company, i.e., an increase of 0.17% (rounded-off) from their present holding of 12.75% of the pre Buyback equity share capital of the Company.
- 23.5. **Record Date, Ratio of Buyback and entitlement of each Shareholder:**
- 23.5.1. As required under the Buyback Regulations, the company has announced November 1, 2017 as the Record Date for the purpose of determining the entitlement and the names of the Shareholders holding Equity Shares, who are eligible to participate in the Buyback Offer.
- 23.5.2. The Equity Shares proposed to be bought back by the Company as a part of the Buyback are divided in two categories:
- Reserved category for Small Shareholders ("**Reserved Category**"); and
 - General category for all Eligible Shareholders other than Small Shareholders ("**General Category**")
- 23.5.3. As defined in Regulation 2(1)(la) of the Buyback Regulations, a "Small Shareholder" is a Shareholder who holds Equity Shares having market value, on the basis of the closing price on November 1, 2017, i.e., the Record Date, of not more than ₹200,000 (Rupees Two Lakh only). As on the Record Date, the closing price on NSE, being the Recognized Stock Exchange having the highest trading volume, was ₹ 927.05 per Equity Share. Accordingly, all Eligible Shareholders holding not more than 215 Equity Shares as on the Record Date are classified as 'Small Shareholders' for the purpose of the Buyback Offer.

- 23.5.4. Based on the above definition, there are 9,37,429 Small Shareholders, with an aggregate shareholding of 5,97,21,969 Equity Shares, as on the Record Date, which constitutes 2.60% of the outstanding paid up equity share capital of the Company and 52.83% of the maximum number of Equity Shares which are proposed to be bought back as part of this Buyback Offer.
- 23.5.5. In accordance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders will be 1,69,56,522 Equity Shares, which is the higher of:
- Fifteen percent of the number of Equity Shares which the Company proposes to buy back, i.e., 15% of 11,30,43,478 Equity Shares, which works out to 1,69,56,522 Equity Shares; or
 - The number of Equity Shares to which the Small Shareholders are entitled, as per their shareholding as on Record Date, (i.e., $(5,97,21,969 / 2,29,69,93,267) \times 11,30,43,478$), which works out to 29,39,138 Equity Shares. All the outstanding Equity Shares have been used for computing the entitlement of Small Shareholders since some of the Promoters also intend to offer Equity Shares held by them in the Buyback.
- 23.5.6. Accordingly, the General Category shall consist of 96,086,956 Equity Shares.
- 23.5.7. Based on the above, the Buyback Entitlement for both categories is as follows:

Category Entitlement Ratio of Buyback

Category	Entitlement Ratio of Buyback*
Reserved Category	23 Equity Shares out of every 81 fully paid-up Equity Shares held on the Record Date
General Category	7 Equity Shares out of every 163 fully paid-up Equity Shares held on the Record Date

**The above Ratio of Buyback is approximate and providing indicative Buyback Entitlement. Any computation of entitled Equity Shares using the above Ratio of Buyback may provide a slightly different number due to rounding-off. The actual Buyback Entitlement for Reserved category for Small Shareholders is 28.3924362909066% and General category for all other Eligible Sellers is 4.2948280830267%.*

23.6. Participation by ADS Holders

- 23.6.1. ADS holders will not be eligible to tender ADSs in the Buyback. As intimated by the Company in the Postal Ballot Notice dated August 25, 2017 (refer to section (j) of the explanatory statement attached to the Postal Ballot Notice – Additional Information for Holders of the Company’s American Depositary Shares), in order for ADS holders to participate in the Buyback, they must have previously taken certain actions in order to withdraw the Equity Shares underlying the ADSs held by them in advance of the Record Date and should have become holders of Equity Shares on the Record Date. They, therefore, needed to (i) apply for and obtain a PAN from the Indian Income Tax Department to allow them to directly hold Equity Shares, (ii) establish an account with a bank, broker or other nominee in India sufficiently in advance of the Record Date to receive Equity Shares in electronic/ dematerialized form (an “**Indian Brokerage Account**”) prior to the Record Date, and (iii) submit their desired number of ADSs to Deutsche Bank Trust Company Americas, as ADR depository (the “**Depository**”) for cancellation along with proper cancellation instructions in each case sufficiently in advance of the Record Date and withdraw the underlying Equity Shares such that they are holding Equity Shares of the Company as of the Record Date. As a holder of Equity Shares as of the Record Date, they can tender into the Buyback any or all such withdrawn Equity Shares in accordance with the terms of the Buyback when the Tendering Period for the Buyback commences.
- 23.6.2. ADS holders who cancelled any ADSs and withdrew the underlying Equity Shares, such that they became holders of Equity Shares as of the Record Date will be allocated an entitlement that is dependent on the number of Equity Shares held as of the Record Date.
- 23.6.3. The Company has received an intimation from the SEBI that the Depository Receipt Scheme, 2014 issued by the Government of India is presently in vogue. In terms of the scheme, the conversion of ADSs into Equity Shares and vice versa is available to the Company. Accordingly, the re-deposit of the withdrawn Equity Shares against the creation of ADS will be in accordance with the provisions of the Depository Scheme, 2014 and the terms of the ADSs. If an ADS holder withdraws Equity Shares

underlying his or her ADSs after August 30, 2017 (i.e., the date that was established by the Depository as the cut-off date for determining those registered ADS holders that are entitled to receive the postal ballot materials and provide them with voting instructions on the postal ballot resolutions (“**ADS Postal Ballot Cut Off Date**”), and prior to the last date of the Tendering Period, such ADS holder will be able to re-deposit against the creation of ADSs any of such Equity Shares that are not tendered in the Buyback, or if tendered, are not accepted in the Buyback, and receive in return ADSs representing such re-deposited Equity Shares if such ADS holder has such Equity Shares delivered to the Custodian for the Depository (along with ADS issuance instructions) on or prior to 30 days after expiration of the Tendering Period. The Depository has agreed to waive the ADS issuance fee that would otherwise be payable in connection with the issuance of ADSs representing such re-deposited Equity Shares during such 30-day period.

- 23.6.4. Withdrawn Equity Shares for which the aforementioned re-deposit does not occur and / or instruction is not given within such 30-day period, as well as Equity Shares withdrawn prior to the ADS Postal Ballot Cut Off Date or after the last day of the Tendering Period, may only be re-deposited against the creation of ADSs to the extent a specified maximum number of outstanding ADSs would not be exceeded. Accordingly, the Company cannot assure ADS holders that such Equity Shares will be able to be re-deposited against the creation of ADSs. In addition, in these circumstances, the ADS issuance fee would not be waived with respect to the issuance of ADSs representing such Equity Shares.
- 23.6.5. The Buyback Price is a 17.05% premium to the volume weighted average price of an ADS on the NYSE for the 3 months preceding the date of the notice to the Indian Stock Exchanges of the board meeting to consider the proposal of the Buyback; i.e., August 16, 2017 (being August 15, 2017 in the U.S. as a result of different time zones). The Buyback Price is a 15.56% premium over the closing price of the ADS on the NYSE, as on the date of the notice to the Indian Stock Exchanges of the board meeting to consider the proposal of the Buyback; i.e., August 16, 2017 (being August 15, 2017 in the U.S. as a result of different time zones). The Buyback Price will be paid in Indian Rupees. These amounts are based on the exchange rate of ₹ 64.2428/US\$ as published by the Reserve Bank of India on August 16, 2017 i.e., the date of the notice to the Indian Stock Exchanges of the board meeting to consider the proposal for the Buyback. Fluctuations in the exchange rate between the Indian Rupee and the U.S. Dollar will affect the U.S. Dollar equivalent of the Buyback Price and Buyback amount. Shareholders are urged to obtain current exchange rate information before making any decision with respect to the Buyback.
- 23.6.6. The Buyback Price is a 5.22% premium to the last traded price of an ADS on Euronext Paris on April 4, 2017, being the date on which the last trade was undertaken on Euronext Paris prior to the date of intimation to the Stock Exchanges of the Board Meeting to consider the proposal of the Buyback. The Buyback Price is a 24.31% premium to the last known price of an ADS on Euronext Paris prior to the publication of the French-specific, statutory press release submitted to the appreciation of the Autorité des marchés financiers in accordance with article 231-24 of the Règlement général de l’Autorité des marchés financier on September 19, 2017. (i.e. a price of 14.15 euros on September 15, 2017). The Buyback Price will be paid in Indian Rupees. These amounts are based on the exchange rate of ₹ 75.3761/Euro as published by the Reserve Bank of India on August 16, 2017. Fluctuations in the exchange rate between the Indian Rupee and the Euro will affect the Euro equivalent of the Buyback Price and Buyback amount. ADS holders are urged to obtain current exchange rate information before making any decision with respect to the Buyback.

23.7. Fractional Entitlements

- 23.7.1. If the Buyback Entitlement, after applying the above mentioned ratios to the Equity Shares held on Record Date, is not a round number (i.e., not a multiple of 1 Equity Share) then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback Offer, for both categories of Shareholders.
- 23.7.2. On account of ignoring the fractional entitlement, those Small Shareholders who hold 3 or less Equity Shares as on the Record Date, will be dispatched a Tender Form with zero entitlement. Such Small

Shareholders are entitled to tender additional Equity Shares as part of the Buyback Offer and will be given preference in the Acceptance of one Equity Share, if such Small Shareholders have tendered for additional Equity Shares.

23.8. **Basis of Acceptance of Equity Shares validly tendered in the Reserved Category**

Subject to the provisions contained in this Letter of Offer, the Company will accept the Equity Shares tendered in the Buyback Offer by the Small Shareholders in the Reserved Category in the following order of priority:

- (a) Full acceptance of Equity Shares from Small Shareholders in the Reserved Category who have validly tendered their Equity Shares, to the extent of their Buyback Entitlement, or the number of Equity Shares tendered by them, whichever is less.
- (b) After the acceptance as described in paragraph 23.8(a), if there are any Equity Shares left to be bought back in the Reserved Category, the Small Shareholders who were entitled to tender zero Equity Shares (on account of ignoring the fractional entitlement), and have tendered additional Equity Shares, shall be given preference and one Equity Share each from the additional Equity Shares tendered by these Small Shareholders shall be bought back in the Reserved Category.
- (c) After the acceptance as described in paragraph 23.8(a) and (b), if there are any validly tendered unaccepted Equity Shares in the Reserved Category ("**Reserved Category Additional Shares**") and Equity Shares left to be bought back in Reserved Category, the Reserved Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e., valid acceptances per Shareholder shall be equal to the Reserved Category Additional Shares by the Shareholder divided by the total Reserved Category Additional Shares and multiplied by the total number of Equity Shares remaining to be bought back in the Reserved Category. For the purpose of this calculation, the Reserved Category Additional Shares taken into account for such Small Shareholders from whom one Equity Share has been accepted in accordance with paragraph 23.8(b) shall be reduced by one.
- (d) In case of proportionate acceptance, as described in paragraph 23.8(c), adjustment for fractional entitlements will be made as follows:
 - For any Shareholder, if the number of additional Equity Shares to be accepted, calculated on a proportionate basis is not a multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Shareholder, if the number of additional Equity Shares to be accepted, calculated on a proportionate basis is not a multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

23.9. **Basis of Acceptance of Equity Shares validly tendered in the General Category**

23.9.1. Subject to the provisions contained in this Letter of Offer, the Company will accept the Equity Shares tendered in the Buyback Offer by Shareholders (other than Small Shareholders) in the General Category in the following order of priority:

- (a) Full Acceptance of Equity Shares from Shareholders in the General Category who have validly tendered their Equity Shares, to the extent of their Buyback Entitlement, or the number of Equity Shares tendered by them, whichever is less.
- (b) After the acceptance as described in paragraph 23.9.1(a), if there are any validly tendered unaccepted Equity Shares in the General Category ("**General Category Additional Shares**") and Equity Shares left to be bought back in General Category, the General Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e., valid acceptances per Shareholder shall be equal to the General Category Additional Shares by the Shareholder divided by the total General

Category Additional Shares and multiplied by the total number of Equity Shares remaining to be bought back in General Category.

- (c) In case of proportionate acceptance described in paragraph 23.9(1)(b), adjustment for fractional entitlements, will be made as follows:
- For any Shareholder, if the number of additional Equity Shares to be accepted, calculated on a proportionate basis is not a multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Shareholder, if the number of additional Equity Shares to be accepted, calculated on a proportionate basis is not a multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

23.10. **Basis of Acceptance of Equity Shares between the two categories**

- 23.10.1. After acceptances of tenders, as mentioned in paragraphs 23.8 and 23.9, if there are any Equity Shares left to be bought back in one category (“**Partially Filled Category**”) and there are additional unaccepted validly tendered Equity Shares (“**Further Additional Shares**”) in the second category (“**Over Tendered Category**”), then the Further Additional Shares in the Over Tendered Category shall be accepted in a proportionate manner, i.e., valid acceptances per Shareholder shall be equal to Further Additional Shares validly tendered by the Shareholder in the Over Tendered Category divided by the total Further Additional Shares in the Over Tendered Category and multiplied by the total Equity Shares left to be bought back in the Partially Filled Category.
- 23.10.2. If the Partially Filled Category is the General Category and the Over Tendered Category is the Reserved Category, then any Small Shareholder who has received a Tender Form with zero Buyback Entitlement and who has tendered additional Equity Shares shall be eligible for priority acceptance of one Equity Share before acceptance in paragraph 23.10.1 out of the Equity Shares left to be bought back in the Partially Filled Category provided no acceptance could take place from such Shareholder in accordance with paragraph 23.8.
- 23.10.3. In case of proportionate acceptance described in paragraph 23.10.1, adjustment for fractional entitlements will be made as follows:
- For any Shareholder, if the number of Further Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Shareholder, if the number of Further Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.
- 23.10.4. In case of any practical issues resulting out of rounding-off of Equity Shares or otherwise, the Buyback Committee or any person(s) authorized by the Buyback Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in this Section 23.

23.11. **For avoidance of doubt, it is clarified that as per the paragraphs above:**

- 23.11.1. Equity Shares accepted under the Buyback from each Eligible Shareholder, shall be lower of the following:
- the number of Equity Shares tendered by the respective Shareholder; and
 - the number of Equity Shares held by the respective Shareholder, as on the Record Date.
- 23.11.2. Equity Shares tendered by any Shareholder over and above the number of Equity Shares held by such Shareholder as on the Record Date shall not be considered for the purpose of Acceptance.

- 23.11.3. Post allocation, up to the Entitlement of each Eligible Shareholder or the number of Equity Shares tendered by each Eligible Shareholder, whichever is lower, all over-tendered Equity Shares will be accepted by the Company on a proportionate basis. The ratio computed for over-tendered Equity Shares will be computed separately for the Reserved Category and the General Category.

23.12. **Clubbing of Entitlement**

In order to ensure that the same shareholders with multiple demat accounts/ folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of Eligible Shareholders holding Equity Shares in physical form, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds / trusts, insurance companies, etc. with a common PAN will not be clubbed together for determining the category and will be considered separately where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the Depositories.

24. **PROCEDURE FOR TENDERING EQUITY SHARES AND SETTLEMENT**

- 24.1. - 24.6. Shareholders' participation in the Buyback will be voluntary. Shareholders can choose to participate, in part or in full, and get cash in lieu of the Equity Shares accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their shareholding percentage, post Buyback, as a result of the decrease in the paid-up Equity Share Capital, without additional investment. Shareholders may also accept a part of their Buyback entitlement. Shareholders also have the option of tendering additional Equity Shares (over and above their Buyback Entitlement) and participate in the shortfall created due to non-participation of some other Shareholders, if any. Acceptance of any Equity Shares tendered in excess of the Buyback Entitlement by the Shareholder shall be in terms of procedure outlined in Section 23 of this Letter of Offer.
- 24.7. The maximum tender under the Buyback by any Shareholder cannot exceed the number of Equity Shares held by the Shareholder as on the Record Date.

In case of physical shares, the Clearing Corporation will release the funds to the Seller Member as per the secondary market mechanism. The payment of consideration to all Eligible Shareholders validly participating in the Buyback will be made in Indian National Rupees.
- (d) The Equity Shares bought back in the demat form will be transferred directly to the escrow account of the Company (the "**Demat Escrow Account**") provided it is indicated by the Company's Broker through DPC mechanism (Direct Pay-out to Client) from the Clearing Corporation of the Indian Stock Exchange.
- (e) Excess demat shares or unaccepted demat shares, if any, tendered by the Eligible Shareholders will be transferred by the Clearing Corporation directly to the Eligible Shareholders' Depository account. - (h) Every Seller Member who puts in a valid bid on behalf of an Eligible Shareholder, must issue a contract note for the Equity Shares accepted in the offer. The Company's Broker must also issue a contract note to the Company for the Equity Shares accepted under the Buyback.

Eligible Shareholders who intend to participate in the Buyback should consult their respective Seller Members for payment to them of any cost, charges and expenses (including brokerage) that may be levied by the Seller Member upon the selling Eligible Shareholders for tendering Equity Shares in the Buyback (secondary market transaction). Whether a Seller Member assesses any such costs, charges or expenses will depend on the commercial arrangement between the Eligible Shareholder and their respective Seller Member. Accordingly, the Buyback consideration received by the selling Eligible Shareholders from their respective Seller Members, in respect of accepted Equity Shares, could be net of such costs, charges and expenses (including brokerage) and the Company accepts no responsibility to bear or pay such additional cost, charges and expenses (including brokerage) incurred solely by the selling Eligible Shareholders.

24.24. The Equity Shares lying to the credit of the Demat Escrow Account and the Equity Shares bought back and accepted in physical form will be extinguished in the manner and following the procedure prescribed in the Buyback Regulations.

The Buyer's Broker must also issue a contract note to the Company for the Equity Shares accepted under the Buyback. If the Eligible Shareholder's bank account details are not available or if the fund transfer instruction is rejected by Reserve Bank of India or bank due to any reasons, then the amount payable to Eligible Shareholders will be transferred to the Seller Member for onward transfer to the Eligible Shareholder.
- (c) In case of certain client types viz. NRI, Foreign Clients etc. (where there are specific RBI and other regulatory requirements pertaining to funds pay-out) who do not opt to settle through custodians, the funds pay-out will be given to their respective Shareholder Broker's settlement accounts for releasing the same to their respective Shareholder's account onward. For this purpose, the client type details will be collected from the Depositories.

25. NOTE ON TAXATION

Set forth below are certain tax considerations related to tendering Equity Shares the Company in the Buyback. The Buyback, together with certain tax considerations related to the withdrawal of Equity Shares underlying ADSs and the re-deposit of Equity Shares not tendered or not accepted in the Buyback against the creation of ADSs, is described in the Postal Ballot Notice dated August 25, 2017 (the “**Postal Ballot Notice**”), which has been furnished with the U.S. Securities and Exchange Commission on Form 6-K.

Indian Taxation

THE SUMMARY OF THE INCOME-TAX CONSIDERATIONS IN THIS SECTION ARE BASED ON THE CURRENT PROVISIONS OF THE INCOME-TAX ACT, 1961 AND THE REGULATIONS THEREUNDER, THE JUDICIAL AND THE ADMINISTRATIVE INTERPRETATIONS THEREOF, WHICH ARE SUBJECT TO CHANGE OR MODIFICATION BY SUBSEQUENT LEGISLATIVE, REGULATORY, ADMINISTRATIVE OR JUDICIAL DECISIONS. ANY SUCH CHANGES COULD HAVE DIFFERENT INCOME-TAX IMPLICATIONS.

IN VIEW OF THE PARTICULARISED NATURE OF INCOME-TAX CONSEQUENCES, SHAREHOLDERS ARE REQUIRED TO CONSULT THEIR TAX ADVISORS FOR THE APPLICABLE TAX PROVISIONS INCLUDING THE TREATMENT THAT MAY BE GIVEN BY THEIR RESPECTIVE TAX OFFICERS IN THEIR CASE, AND THE APPROPRIATE COURSE OF ACTION THAT THEY SHOULD TAKE.

THE COMPANY DOES NOT ACCEPT ANY RESPONSIBILITY FOR THE ACCURACY OR OTHERWISE OF SUCH ADVICE. THEREFORE, SHAREHOLDERS CANNOT RELY ON THIS ADVICE AND THE SUMMARY INCOME-TAX IMPLICATIONS RELATING TO THE TREATMENT OF INCOME-TAX IN THE CASE OF BUYBACK OF LISTED EQUITY SHARES ON THE RECOGNISED STOCK EXCHANGE IN INDIA SET OUT BELOW SHOULD BE TREATED AS INDICATIVE AND FOR GUIDANCE PURPOSES ONLY.

General: The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is liable to income-tax in India on his worldwide income, subject to certain tax exemptions, which are provided under the Income-tax Act, 1961 (the “IT Act”).

A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person’s India-sourced income (i.e. income which accrues or arises or deemed to accrue or arise in India) and income received by such persons in India. In case of shares of a company, the source of income from shares would depend on the “situs” of such shares. As per judicial precedents, generally the “situs” of the shares is where a company is “incorporated” and where its shares can be transferred.

Accordingly, since the Company is incorporated in India, the Company’s shares should be deemed to be “situated” in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the IT Act.

Further, the non-resident shareholder can avail benefits of the Double Taxation Avoidance Agreement (“**DTAA**”) between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions including non-applicability of General Anti-Avoidance Rule (“**GAAR**”) and providing and maintaining necessary information and documents as prescribed under the IT Act.

The IT Act also provides for different income-tax regimes/ rates applicable to the gains arising from the buyback of shares, based on the period of holding, residential status, classification of the shareholder and nature of the income earned, etc. The summary of income-tax implications on buyback of listed equity shares

on the Recognised Stock Exchange in India is set out below. All references to equity shares herein refer to listed equity shares unless stated otherwise.

Classification of Shareholders: Shareholders can be classified under the following categories:

Resident Shareholders being:

- Individuals, Hindu Undivided Family (HUF), Association of Persons (AOP) and Body of Individuals (BOI)
- Others

Non Resident Shareholders being:

- Non Resident Indians (NRIs)
- Foreign Portfolio Investors (FPIs)
- Others:
 - Company
 - Other than company

Classification of Income: Shares can be classified under the following two categories:

- Shares held as investment (Income from transfer taxable under the heading “Capital Gains”)
- Shares held as stock-in-trade (Income from transfer taxable under the heading “Profits and Gains from Business or Profession”)

Gains arising from the transfer of shares may be treated either as “capital gains” or as “business income” for income-tax purposes, depending upon whether such shares were held as a capital asset or trading asset (i.e. stock-in-trade).

Traditionally, the issue of characterization of income arising from sale of shares has been a subject matter of litigation with the income-tax authorities. There have been various judicial pronouncements on whether gains from transactions in securities should be taxed as “business profits” or as “capital gains”.

However, these pronouncements, while laying down certain guiding principles have largely been driven by the facts and circumstances of each case. The apex body of Income-tax has issued Circular No. 6 of 2016, as per which, if the taxpayer opts to consider the shares as stock-in-trade, the income arising from the transfer of such shares would be treated as its business income. Also, if such shares are held for a period of more than 12 months and if the taxpayer desires to treat the income arising from the transfer thereof as “capital gains”, the same should not be put to dispute by the income-tax officers provided such stand is consistently followed by the taxpayer in subsequent years.

Further, investments by FPIs in any securities in accordance with the regulations made under the Securities Exchange Board of India Act, 1992 would be treated as capital asset under the provisions of the IT Act.

Shares held as investment: As per the provisions of the IT Act, where the shares are held as investments (i.e. capital asset), income arising from the transfer of such shares is taxable under the head “Capital Gains”. Capital gains on buyback of shares are governed by the provisions of section 46A of the IT Act and such capital gains in the hands of shareholders would be computed as per provisions of section 48 of the IT Act. The provisions of buyback tax under section 115QA in Chapter XII-DA of the IT Act do not apply for shares listed on the Recognised Stock Exchange in India.

Period of holding: Depending on the period for which the shares are held, the gains would be taxable as “short-term capital gain” or “long-term capital gain”:

In respect of equity shares held for a period less than or equal to 12 months prior to the date of transfer, the same should be treated as a “short-term capital asset”, and accordingly the gains arising therefrom should be taxable as “short term capital gains” (“**STCG**”).

Similarly, where equity shares are held for a period more than 12 months prior to the date of transfer, the same should be treated as a “long-term capital asset”, and accordingly the gains arising therefrom should be taxable as “long-term capital gains” (“**LTCG**”).

Buyback of shares through a Recognized Stock Exchange in India: Where a transaction for transfer of such equity shares (i.e. buyback) is transacted through a Recognized Stock Exchange and is chargeable to Securities Transaction Tax (“**STT**”), then the taxability will be as under (for all categories of shareholders):

LTCG arising from such transaction would typically be exempt from tax under section 10(38) of the IT Act. However, in certain specified cases, the said exemption is available only if purchase of such shares is chargeable to STT; and

STCG arising from such transaction would be subject to tax at 15% under section 111A of the IT Act. Further, in case of resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is considered while computing the income-tax on such STCG taxable under section 111A of the IT Act.

In addition to the above STCG tax, surcharge, education cess and secondary and higher education cess are leviable (Please see this document for rate of surcharge and cess).

Non-resident shareholders can avail benefits of the DTAA between India and the respective country of which the said shareholder is a tax resident subject to satisfying relevant conditions (including non-applicability of GAAR) and providing and maintaining necessary information and documents as prescribed under the IT Act.

As an overall point, since the Buyback is to be undertaken on the NSE / BSE, such transaction is chargeable to the STT. STT is a tax payable in India on the value of securities on every purchase or sale of specified securities that are listed on the Recognised Stock Exchanges in India. Currently, the STT rate applicable on the purchase or sale of shares on the stock exchange is 0.1% of the value of the security.

Taxation for holders of Equity Shares withdrawn from the American Depository Share Facility:

The following is a brief summary of capital gains taxation in respect of sale of equity shares received upon the equity share withdrawal on account of buy-back:

In order to compute the capital gains, the period of holding of equity shares withdrawn from the ADS facility and cost of acquisition of such shares needs to be determined in the following manner:

The period of holding of shares acquired by such non-resident holders on redemption of ADS would be reckoned from the date on which a request for such redemption was made.

Cost of acquisition of the shares acquired by non-resident holders on redemption of ADS should be the price of such share prevailing on any Recognised Stock Exchange in India on the date on which a request for redemption was made.

In relation to period of holding and cost of acquisition, it may be noted that the apex body of Income-tax vide circular no. 19/2015 dated November 27, 2015 had clarified that ‘date on which a request for redemption was made’ shall be the date on which the instruction from foreign depository is received by the local custodian in India requesting the release of underlying shares in favour of the non-resident assessee.

STT would be levied at the time of transfer of equity shares as part of the Buyback.

Long term capital gains on sale of such shares post redemption of ADS should be exempt from tax.

Short-term capital gains on sale of such shares should be taxed at 15% and further increased by applicable surcharge and cess (please see below on rate of surcharge and cess).

Non-resident shareholders can avail benefits of the DTAA between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions (including non-applicability of GAAR) and providing and maintaining necessary information and documents as prescribed under the IT Act.

Income-tax implications on withdrawal and re-deposit of Equity Shares:

While there are arguments in favour that conversion of ADS into shares should not be subject to capital gains tax, the law is not very clear on this aspect and there are no relevant tax rulings. As a result, this view is not free from doubt.

The shares which would not be accepted by the Company for buyback could get reconverted into ADS. As far as taxability of such reconversion is concerned, the law is not very clear on this aspect, there are no relevant tax rulings and the Company is not aware of precedential transactions in which equity shares have been reconverted into ADSs in connection with a buyback. There are two possible views i.e. whether such reconversion of shares into ADS is a taxable transfer and accordingly would attract capital gains tax or vice versa. While there are arguments supporting both the views, the view that such reconversion is not a taxable transfer may be construed to be a better view.

Shareholders should consult their own tax advisors in relation to the foregoing. Shareholders should also consult their respective Seller Members regarding whether such Seller Members intend to withhold taxes in respect of the foregoing.

Shares held as stock-in trade: If the shares are held as stock-in-trade by any of the shareholders of the Company, then the gains would be characterized as business income and taxable under the heading "Profits and Gains from Business or Profession." In such a case, the provisions of section 46A of the IT Act would not apply.

Resident Shareholders:

For individuals, HUF, AOP, BOI, profits would be taxable at applicable slab rates.

For persons other than stated in (a) above, profits would be taxable at 30%.

No benefit of indexation (inflation adjustment on cost base) by virtue of the period of holding would be available in any case.

Non Resident Shareholders:

Non-resident shareholders can avail benefits of the DTAA between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions (including non-applicability of GAAR) and providing and maintaining necessary information and documents as prescribed under the IT Act.

Where DTAA provisions are not applicable:

For non-resident individuals, HUF, AOP, BOI, profits would be taxable at applicable slab rates.

For foreign companies, profits would be taxed in India at 40%.

For other non-resident shareholders, such as foreign firms, profits would be taxed in India at 30%.

In addition to the above, surcharge, education cess and secondary and higher education cess are leviable. (Please see below for rate of surcharge and cess).

Tax Deduction at Source:

In case of Resident Shareholders: In absence of any specific provision under the IT Act, the Company is not required to deduct tax on the consideration payable to resident shareholders pursuant to the Buyback.

In case of Non-resident Shareholders:

In case of FPIs: Section 196D of the IT Act provides for specific exemption from withholding tax in case of capital gains arising in hands of FPIs. Thus, no withholding of tax is required in case of consideration payable to FPIs.

In case other than FPIs: Section 195(1) of the IT Act provides that any person responsible for paying to a non-resident, any sum chargeable to tax is required to deduct tax at source (including applicable surcharge and cess). Subject to regulations in this regard, wherever applicable and it is required to do so, tax at source (including applicable surcharge and education cess) shall be deducted at appropriate rates as per the IT Act. In doing this, the Company will be guided by generally followed practices and make use of data available in its records except in cases where the non-resident shareholders provide a specific mandate in this regard.

Since the Buyback is through the Recognised Stock Exchanges in India, the responsibility of discharge of the tax due on the gains (if any) is primarily on the non-resident shareholder given that practically it is very difficult to withhold taxes. It is therefore important for the non-resident shareholders to suitably compute such gains (if any) on this transaction and immediately pay taxes in India in consultation with their custodians, authorized dealers and/or tax advisors, as appropriate.

Rate of Surcharge and Cess: In addition to the basic tax rate, surcharge, education cess and secondary and higher education cess are leviable as follows:

Surcharge:

In case of individuals, HUF, AOP and BOI: Surcharge at 15% is leviable where the total income exceeds ₹ 10 million (approximately US\$ 0.15 million) and at 10% where the total income exceeds ₹ 5 million (approximately US\$ 0.08 million).

In case of domestic companies: Surcharge at 12% is leviable where the total income exceeds ₹ 100 million (approximately US\$ 1.5 million) and at 7% where the total income exceeds ₹ 10 million (approximately US\$ 0.15 million).

In case of foreign companies: Surcharge at 5% is leviable where the total income exceeds ₹ 100 million (approximately US\$ 1.5 million) and at 2% where the total income exceeds ₹ 10 million (approximately US\$ 0.15 million).

Cess:

Education Cess at 2% and Secondary and Higher Education Cess at 1% is leviable in all cases.

The U.S. dollar amounts are based on the exchange rate of ₹ 64.11/USD as of July 28, 2017 (Source: http://www.federalreserve.gov/releases/h10/hist/dat00_in.htm).

THE ABOVE DISCLOSURE ON TAXATION SETS OUT THE PROVISIONS OF LAW IN A SUMMARY MANNER ONLY AND IS NOT A COMPLETE ANALYSIS OR LISTING OF ALL POTENTIAL TAX CONSEQUENCES OF THE DISPOSAL OF EQUITY SHARES. THIS DISCLOSURE IS NEITHER BINDING ON ANY REGULATORS NOR CAN THERE BE ANY ASSURANCE THAT THEY WILL NOT TAKE A POSITION CONTRARY TO THE COMMENTS MENTIONED HEREIN. HENCE, SHAREHOLDERS SHOULD CONSULT WITH THEIR OWN TAX ADVISORS FOR THE TAX PROVISIONS APPLICABLE TO THEIR PARTICULAR CIRCUMSTANCES.

United States of America

Certain Material U.S. Federal Income Tax Consequences

The following is a summary of certain material U.S. federal income tax consequences that may be relevant with respect to a participation in the buyback of Equity Shares to U.S. holders (as defined below) and is for general information only. For purposes of this discussion, “U.S. holders” are individuals who are citizens or residents of the United States, corporations (or other entities treated as corporations for U.S. federal income tax purposes) created in or under the laws of the United States or any political subdivision thereof or therein, estates, the income of which is subject to U.S. federal income taxation regardless of its source and trusts having a valid election to be treated as U.S. persons in effect under U.S. Treasury Regulations or for which a U.S. court exercises primary supervision and a U.S. person has the authority to control all substantial decisions.

This summary is limited to U.S. holders who hold Equity Shares as capital assets. In addition, this summary is limited to U.S. holders who are not residents in India for purposes of the Convention between the Government of the United States of America and the Government of the Republic of India for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes on Income (the “**Treaty**”). If a partnership (or an entity treated as a partnership for U.S. federal income tax purposes) holds the Equity Shares, the tax treatment of a partner will generally depend upon the status of the partner and upon the activities of the partnership. A partner in a partnership holding Equity Shares should consult its own tax advisor.

This summary does not address any tax considerations arising under the laws of any U.S. state or local or non-U.S. jurisdiction, potential application of the Medicare contribution tax on net investment income, or tax considerations under any U.S. non-income tax laws. In addition, this summary does not address tax considerations applicable to holders that may be subject to special tax rules, such as banks, insurance companies, regulated investment companies, real estate investment trusts, financial institutions, dealers in securities or currencies, tax-exempt entities, persons liable for alternative minimum tax, persons that hold Equity Shares or ADSs as a position in a “straddle” or as part of a “hedging” or “conversion” transaction for tax purposes, persons holding Equity Shares through partnerships or other pass-through entities, persons that have a “functional currency” other than the U.S. dollar or holders of 10% or more, by voting power or value, of the shares of the Company. This summary is based on the tax laws of the United States as in effect on the date of this document and on U.S. Treasury Regulations in effect or, in some cases, proposed, as of the date of this document, as well as judicial and administrative interpretations thereof available on or before such date and is based in part on the assumption that each obligation in the Deposit Agreement and any related agreement will be performed in accordance with its terms. All of the foregoing is subject to change, which change could apply retroactively and could affect the tax consequences described below.

EACH PROSPECTIVE PARTICIPANT IN THE BUYBACK SHOULD CONSULT ITS OWN TAX ADVISOR WITH RESPECT TO THE U.S. FEDERAL, STATE, LOCAL AND NON-U.S. TAX CONSEQUENCES OF PARTICIPATING IN THE BUYBACK.

Ownership of ADSs. For U.S. federal income tax purposes, U.S. holders generally will be treated as the owners of Equity Shares represented by such ADSs. Accordingly, the conversion of ADSs into Equity Shares to participate in the Buyback, and the conversion of Equity Shares that are not tendered in the Buyback, or if tendered, are not accepted in the Buyback, into ADSs generally will not be subject to U.S. federal income tax.

Tax Treatment of Buyback. An exchange of Equity Shares for cash by a U.S. holder pursuant to the Buyback will be a taxable transaction for U.S. federal income tax purposes. In such case, depending on the applicable U.S. holder’s particular circumstances, such tendering U.S. holder will be treated either as recognizing gain or loss from the disposition of the Equity Shares or as receiving a distribution from the Company.

Under Section 302 of the Internal Revenue Code, a tendering U.S. holder will recognize gain or loss on the exchange of Equity Shares for cash if the exchange:

results in a “substantially disproportionate” redemption with respect to such U.S. holder; or
is “not essentially equivalent to a dividend” with respect to the U.S. holder.

An exchange of Equity Shares for cash generally will be a substantially disproportionate redemption with respect to a U.S. holder if the percentage of the voting stock owned by such U.S. holder immediately after the exchange is less than 80% of the percentage of the voting stock owned by such U.S. holder immediately before the exchange and after the exchange the U.S. holder owns less than 50% of the total combined voting power of all classes of stock entitled to vote. In applying the Section 302 tests, each U.S. holder must take into account Equity Shares and ADSs that such U.S. holder constructively owns under certain attribution rules, pursuant to which a U.S. holder will be treated as owning any Equity Shares and ADSs owned by certain family members (which family attribution, in certain circumstances, may be waived) and related entities, and Equity Shares and ADSs that the U.S. holder has the right to acquire by exercise of an option. Each U.S. holder is expected to consult with its own tax advisor with respect to the application of such attribution rules given such U.S. holder's particular circumstances.

If an exchange of Equity Shares for cash fails to satisfy the "substantially disproportionate" test, the U.S. holder may nonetheless satisfy the "not essentially equivalent to a dividend" test. An exchange of Equity Shares for cash will satisfy the "not essentially equivalent to a dividend" test if it results in a "meaningful reduction" of the U.S. holder's equity interest in the company given such U.S. holder's particular facts and circumstances. The Internal Revenue Service (the "IRS") has indicated in published rulings that a relatively minor reduction of the proportionate equity interest of a U.S. holder whose relative equity interest is minimal and who does not exercise any control over or participate in the management of corporate affairs should be treated as "not essentially equivalent to a dividend." Each U.S. holder should consult its tax advisors regarding the application of the rules of Section 302 in its particular circumstances. Because the Section 302 tests are applied on a stockholder by stockholder basis, the Buyback may be a sale or exchange for certain U.S. holders and a distribution for others.

Sale or Exchange: Subject to the "passive foreign investment company" ("PFIC") rules described below, if a U.S. holder is treated as recognizing gain or loss for U.S. federal income tax purposes from the disposition of Equity Shares for cash, such gain or loss will be equal to the difference between the U.S. dollar value of the amount realized and the U.S. holder's tax basis, determined in U.S. dollars, in the Equity Shares. Gain or loss recognized will be long-term capital gain or loss with respect to Equity Shares held for more than 12 months at the time of the sale or other disposition and any gain recognized generally will be income from sources within the United States for foreign tax credit limitation purposes. Long-term capital gains of non-corporate U.S. holders are generally taxed at preferential rates. Capital gains realized by a U.S. holder upon sale of Equity Shares may be subject to tax in India, including withholding tax. See "Indian Taxation" above. Due to limitations on foreign tax credits, however, a U.S. holder may not be able to utilize any such taxes as a credit against the U.S. holder's federal income tax liability. U.S. holders should consult their own tax advisors regarding the tax treatment to them if the Buyback is treated as a sale or exchange.

Distribution: If a U.S. holder is not treated under the Section 302 tests as recognizing gain or loss on an exchange of Equity Shares for cash, such U.S. holder will be treated as having received a distribution from the Company. The gross amount of the distribution will generally be treated as dividend income to the extent made from the current or accumulated earnings and profits (as determined under U.S. federal income tax principles) of the Company. Such dividends will not be eligible for the dividends received deduction generally allowed to corporate U.S. holders. To the extent, if any, that the amount of the Buyback exceeds the Company's current and accumulated earnings and profits as determined under U.S. federal income tax principles, such excess will be treated first as a tax-free return of the U.S. holder's tax basis in the Equity Shares and thereafter as capital gain.

The Company does not intend to calculate its earnings and profits according to U.S. tax accounting principles. Accordingly, notwithstanding the discussion in the preceding paragraphs, if the Buyback is treated as a distribution on Equity Shares, such distribution will generally be taxed as a dividend for U.S. tax purposes.

Subject to certain conditions and limitations, including the PFIC rules described below, dividends paid to non-corporate U.S. holders, including individuals, may be eligible for a reduced rate of taxation if the Company is deemed to be a "qualified foreign corporation" for U.S. federal income tax purposes. A qualified foreign corporation includes a foreign corporation if (1) its shares are readily tradable on an established securities market in the United States, or (2) it is eligible for the benefits under a comprehensive income tax treaty with

the United States, including the Treaty. Based on existing guidance, it is not clear whether a dividend on an Equity Share will be treated as a qualified dividend, because the Equity Shares are not themselves listed on a U.S. exchange. However, the Company may be eligible for benefits under the Treaty. A corporation is not a qualified foreign corporation if it is a PFIC in the current taxable year or the prior taxable year (as discussed below).

EACH U.S. HOLDER SHOULD CONSULT HIS, HER OR ITS OWN TAX ADVISOR REGARDING THE TREATMENT OF DIVIDENDS AND SUCH HOLDER'S ELIGIBILITY FOR REDUCED RATE OF TAXATION UNDER THE LAW IN EFFECT FOR THE YEAR OF THE DIVIDEND AND WHETHER ANY FOREIGN TAX CREDITS ARE AVAILABLE TO IT IN RESPECT OF INDIAN WITHHOLDING TAX, IF ANY.

Passive Foreign Investment Company: A non-U.S. corporation will be classified as a PFIC for U.S. Federal income tax purposes if either:

75% or more of its gross income for the taxable year is passive income; or
on average for the taxable year by value, if 50% or more of its assets produce or are held for the production of passive income.

The Company does not believe that it satisfies either of the tests for PFIC status for the fiscal year ended March 31, 2017, and the Company does not expect to satisfy either of the tests for the fiscal year ending March 31, 2018. However, because this determination is made on an annual basis and depends on a variety of factors (including the Company's market capitalization), no assurance can be given that the Company was not considered a PFIC for the fiscal year ended March 31, 2017, or that the Company will not be considered a PFIC for the current fiscal year and/or future fiscal years. If the Company were to be a PFIC for any taxable year, U.S. holders would be required to pay an interest charge together with tax calculated at an ordinary income rates on "excess distributions," as the term is defined in relevant provisions of U.S. tax laws, and on any gain on a sale or other disposition of Equity Shares, unless a U.S. holder makes a "QEF election" or a "mark-to-market" election, as described below. In addition, individual U.S. holders will not be eligible for the reduced rates of dividend taxation described above if the Company is a PFIC for the fiscal year of the dividend payment or the preceding taxable year.

If the Company is a PFIC in any year, so long as the Equity Shares (or ADSs representing such Equity Shares) are and remain "marketable," a U.S. holder may be able to avoid the excess distribution rules described above by having made a timely so-called "mark-to-market" election with respect to such U.S. holder's Equity Shares (or ADSs representing such Equity Shares). The Equity Shares or ADSs will be "marketable" as long as they remain regularly traded on a national securities exchange, such as the NYSE, or a foreign securities exchange that is regulated or supervised by a governmental authority of the country in which the market is located. A mark-to-market election will be effective for the taxable year for which the election is made and for all subsequent taxable years, unless the Equity Shares or ADSs are no longer regularly traded on a qualified exchange or the IRS consents to the revocation of the election. However, because a mark-to-market election cannot be made for any lower-tier PFICs that the Company may own, a U.S. holder may continue to be subject to the PFIC rules with respect to any indirect interest in any investments held by the Company that are treated as an equity interest in a PFIC for U.S. federal income tax purposes, including the Company's subsidiaries. U.S. holders should consult their own tax advisors with respect to making a mark-to-market election and the tax consequences of the Buyback if such an election is in effect.

In addition, if the Company is a PFIC in any year, a U.S. holder might be able to avoid the excess distribution rules described above by making a timely so-called "qualified electing fund," or QEF, election to be taxed currently on his, her or its pro rata portion of the Company's income and gain. However, the Company has not provided and does not plan to provide information necessary for the QEF election, so such election would not have been available to U.S. holders.

In addition, certain information reporting obligations on IRS Form 8621 may apply to U.S. holders if the Company is determined to be a PFIC, including in the year of a sale or disposition.

Backup Withholding Tax and Information Reporting. Any dividends paid, or proceeds on a sale of, Equity Shares to or by a U.S. holder may be subject to U.S. information reporting, and backup withholding, currently at a rate of 28%, may apply unless such holder is an exempt recipient or provides a U.S. taxpayer identification number, certifies that such holder is not subject to backup withholding and otherwise complies with any applicable backup withholding requirements. Any amount withheld under the backup withholding rules will be allowed as a refund or credit against the holder's U.S. federal income tax, provided that the required information is furnished to the IRS.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A COMPLETE ANALYSIS OF ALL TAX CONSEQUENCES RELATING TO PARTICIPATION IN THE BUYBACK. U.S. HOLDERS SHOULD CONSULT WITH THEIR OWN TAX ADVISORS REGARDING THE APPLICATION OF THE U.S. FEDERAL INCOME TAX LAWS TO THEIR PARTICULAR CIRCUMSTANCES, AS WELL AS ANY ADDITIONAL TAX CONSEQUENCES RESULTING FROM PARTICIPATION IN THE BUYBACK, INCLUDING THE APPLICABILITY AND EFFECT OF THE TAX LAWS OF ANY STATE, LOCAL OR NON-U.S. JURISDICTION AND ANY ESTATE, GIFT AND INHERITANCE LAWS.

Who is offering to purchase the Equity Shares?

The Company is offering to purchase up to 11,30,43,478 Equity Shares of face value ₹ 5/- (Rupees Five only). See Sections 6 and 9.

What will the purchase price for Equity Shares be and what will be the form of payment?

The Company will pay ₹ 1,150/- (Rupees One Thousand One Hundred and Fifty only) per Equity Share purchased in the Buyback.

If the Equity Shares tendered by an Eligible Shareholder are purchased in the Offer, the Company will pay such Eligible Shareholder the purchase price, in cash, promptly after the expiration of the Offer and no later than 7 (seven) working days from the closure of the Offer Period. See Sections 1 and 24.

What is the recent market price of the Equity Shares?

On October 9, 2017, the date of the Public Announcement, the last reported sale price of the Equity Shares was ₹ 923.65 and ₹ 923.90 per Equity Share on the BSE and the NSE, respectively. Has the Company or its Board of Directors adopted a position on the Buyback?

The Board of Directors of the Company has approved the Buyback. However, neither the Company nor its Board of Directors or the Managers to the Buyback make any recommendation to the shareholders as to whether they should tender or refrain from tendering their Equity Shares. Shareholders must make their own decision as to whether to tender their Equity Shares and, if so, how many Equity Shares to tender. In so doing, the shareholders should read carefully the information in this Letter of Offer, including the Company's reasons for the Buyback. See Sections 4, 6 and 8.

How many Equity Shares will the Company purchase in the Buyback?

The Company will purchase up to 11,30,43,478 Equity Shares in the Buyback (representing 4.92% of the total paid-up equity share capital of the Company) from all the Eligible Shareholders, on a proportionate basis (subject to the reservation for Small Shareholders). If more than 11,30,43,478 Equity Shares are tendered, the Company will purchase Equity Shares tendered in the Buyback first from Small Shareholders on a proportionate basis in the Reserved Category, and then from all other Shareholders on a proportionate basis in the General Category, with any additional Equity Shares to be accepted in a proportionate manner as described further in Section 23. See Section 23.

What happens if more than 11,30,43,478 Equity Shares are tendered?

The Company will not accept for purchase more than 11,30,43,478 Equity Shares in the Buyback. In the Postal Ballot Notice, the Company had intimated that ADS holders had approximately 45-50 days from the date of the Postal Ballot Notice to take such steps as may be required for ADS holders to hold Equity Shares as on the Record Date. A distribution will generally be taxed to the Eligible Shareholder as a dividend for U.S. federal income tax purposes. Refer to Section 25 for detailed note on Taxation.

Withdrawal and Re-deposit of Equity Shares. While there are arguments in favour that withdrawal of Equity Shares underlying ADSs should not be subject to Indian capital gains tax, this view is not free from doubt as the law is not very clear on this aspect. Similarly, whether the re-deposit of Equity Shares against the creation of ADSs (where such shares are not accepted for Buyback) is subject to Indian taxation is also unclear.

Tendering Equity Shares in the Buyback. In case the equity shares tendered in the Buyback are accepted then any income/gains arising to a non-resident on transfer of such equity shares may be taxed in India.
