Annexure to the Auditors' Report

The Annexure referred to in our report to the members of Infosys Limited ('the Company') for the year ended 31 March 2013. We report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) Fixed assets disposed off during the year were not substantial, and therefore, do not affect the going concern assumption.
- (ii) The Company is a service company, primarily rendering information technology services. Accordingly, it does not hold any physical inventories. Thus, paragraph 4(ii) of the Order is not applicable.

- (b) In our opinion, the rate of interest and other terms and conditions on which the loans have been granted to the bodies corporate listed in the register maintained under Section 301 of the Act are not, prima facie, prejudicial to the interest of the Company.
- (c) In the case of the loans granted to the bodies corporate listed in the register maintained under section 301 of the Act, the borrowers have been regular in the payment of the interest as stipulated. The terms of arrangement do not stipulate any repayment schedule and the loans are repayable on demand. Accordingly, paragraph 4(iii)(c) of the Order is not applicable to the Company in respect of repayment of the principal amount.
- (d) There are no overdue amounts of more than rupees one lakh in respect of the loans granted to the bodies corporate listed in the register maintained under section 301 of the Act.
