

INDEPENDENT AUDITOR'S REPORT

TO THE BOARD OF DIRECTORS OF INFOSYS LIMITED

Report on the Audit of Interim Condensed Consolidated Financial Statements

Opinion

We have audited the accompanying interim condensed consolidated financial statements of Infosys Limited (“the Company”) and its subsidiaries (the Company and its subsidiaries together referred to as “the Group”), which comprise the Condensed Consolidated Balance Sheet as at June 30, 2018, the Condensed Consolidated Statement of Comprehensive Income, the Condensed Consolidated Statement of Changes in Equity and the Condensed Consolidated Statement of Cash Flows for the three months period ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the interim condensed consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid interim condensed consolidated financial statements give a true and fair view in conformity with International Accounting Standard 34 “Interim Financial Reporting” (“IAS 34”) as issued by the International Accounting Standards Board (“IASB”), of the consolidated state of affairs of the Group as at June 30, 2018, the consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the three months period ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor’s Responsibilities for the Audit of the Interim Condensed Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Management and Those Charged with Governance for the Interim Condensed Consolidated Financial Statements

The Company’s Board of Directors is responsible for the preparation and presentation of these interim condensed consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with IAS 34 as issued by the IASB. The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records for safeguarding assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the interim condensed consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the interim condensed consolidated financial statements by the Board of Directors of the Company, as aforesaid.

In preparing the interim condensed consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Interim Condensed Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the interim condensed consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these interim condensed consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the interim condensed consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the interim condensed consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the interim condensed consolidated financial statements, including the disclosures, and whether the interim condensed consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the interim condensed consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the interim condensed consolidated financial statements.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Based on our professional judgment, we determined materiality for the interim condensed consolidated financial statements as a whole at Rs. 250 crores. The basis for determining materiality was 5% of profits before tax. Profits before tax was used as a benchmark for materiality because it is one of the main measures used by users of financial statements to monitor the performance of the Group.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
