

Infosys to host analyst meet

Bangalore, India – August 06, 2008: Infosys Technologies Limited (NASDAQ: INFY) announced that it will host its annual Analyst Meet on Wednesday, August 27, 2008 at its campus in Mahindra City, Chennai. Infosys will discuss the state of the company's business at the Analyst Meet.

Mr. S. Gopalakrishnan, CEO and Managing Director will deliver the opening address on the state of the company's business, after which Mr. S. D. Shibulal, COO will speak on the operational highlights. Heads of various business units of Infosys will make presentations in several break-out sessions during the day. These sessions are designed to serve as a forum for analysts to understand the company's operations better. An executive open house will conclude the meet to be chaired by Mr. S. Gopalakrishnan.

The proceedings of the meet will be uploaded as webcast on www.infosys.com. In addition, the presentations made by various participants and transcripts of the day's discussions will be uploaded on www.infosys.com.

Safe Harbor

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property and general economic conditions affecting our industry. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2008 and on Form 6-K for the quarters ended June 30, 2007, September 30, 2007 and December 31, 2007. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company.
