Infosys Technologies Earns #1 Ranking Among Retail IT Services Providers

*2010 RIS IT Services LeaderBoard Recognizes Company for Leadership in Integration Capabilities and Client Recommendations
Fremont, Calif. – Dec. 20, 2010*

News Highlights

- Infosys Technologies (NASDAQ: INFY) today announced that it was ranked number one among leading IT Services suppliers in retail within the 2010 *RIS* IT Services LeaderBoard, a prestigious annual industry ranking. The 2010 IT Services LeaderBoard evaluated 32 large national and international IT services providers, and placed them in a head-to-head ranking based on more than 70 retailer evaluations. The full ranking was published in the November 2010 issue of *Retail Info Systems News* (RIS).
- Infosys' overall ranking in the master LeaderBoard chart is the result of adding the evaluations of seven individual categories: domain expertise, depth of offerings, integration capabilities, on time and on budget, meeting expectations, strategy and innovation and recommendation. The company is also the leader in both the integration capabilities category and the all-important category of recommendation.
- Infosys' provides innovation, transformation and operations related solutions and services to top retailers worldwide. Infosys has launched many successful Retail focused Industry solutions in the areas of Digital Commerce, Mobility, Instore effectiveness, Competitive Intelligence, Analytics, Merchandizing and Supply Chain. Infosys works with five of the top 10 retailers worldwide and eight of the top 10 retailers in North America as a strategic and trusted transformation partner.
