Infosys Technologies Positioned in Leaders Quadrant of the Magic Quadrant for SAP ERP Implementation Service Providers, North America, 2010

*Evaluation Based on Completeness of Vision and Ability to Execute
Fremont, Calif. – Nov. 17, 2010*

News Highlights

- Infosys Technologies (NASDAQ: INFY), an SAP global services partner, today announced that it has been positioned by Gartner, Inc. in the Leaders quadrant of the 2010 “Magic Quadrant for SAP® ERP Implementation Service Providers, North America”.[1] Authored by Susan Tan and Alex Soejarto, the new report positions North American implementation service providers for the SAP ERP application based on their ability to execute and their completeness of vision. Inclusion within this Magic Quadrant was based on service providers demonstrating a minimum of \$30 million (estimated for fiscal year 2009) in enterprise-wide SAP ERP-based project service revenue in North America.
- According to Gartner, Inc., “Leaders are performing well today, gaining traction and mind share in the market; they have a clear vision of market direction and are actively building competencies to sustain their leadership position in the market.”
- As a global leader in providing services in support of SAP solutions, Infosys has a successful track record with large organizations across the world. Infosys leverages its expertise in maximizing value from business transformational and globalization programs, unique industry solutions, and dynamic service models to help global organizations extract greater value from their investments in SAP solutions.
- Equipped with proven tools, methodologies, templates and accelerators and supported by industry and domain-specific Centers of Expertise (CoE) and a solution center in support of the SAP NetWeaver® technology platform, Infosys' professionals help ensure that customers get top-notch consulting, robust implementations, faster rollouts, de-risked upgrades, dependable production support and best quality development.

Key Quotes

- “We consider our positioning in the leaders quadrant by Gartner confirmation of Infosys’ strong track record in the SAP consulting and implementation space and our ability to deliver on large, complex deployments,” said Rajesh K. Murthy, vice president and global head, SAP Practice, Infosys. “In our opinion, this recognition reflects the trust that our clients have placed in us to deliver high-quality services for their implementations of SAP ERP leveraging our domain expertise and proprietary tools and methodologies, which enable our clients to do more with their investments.”

About the Magic Quadrant

The Magic Quadrant is copyrighted 2010, by Gartner, Inc. and is reused with permission. The Magic Quadrant is a graphical representation of a marketplace at and for a specific time period. It depicts Gartner's analysis of how certain vendors measure against criteria for that marketplace, as defined by Gartner. Gartner does not endorse any vendor, product or service depicted in the Magic Quadrant, and does not advise technology users to select only those vendors placed in the "Leaders" quadrant. The Magic Quadrant is intended solely as a research tool, and is not meant to be a specific guide to action. Gartner disclaims all warranties, express or implied, with respect to this research, including any warranties of merchantability or fitness for a particular purpose.
