# LEARN

## UNLOCK THE POWER OF LEARNING WITH INFOSYS WINGSPAN

Browse best-in-class curated content seamlessly from any device at work, at home or while commuting. Access when off the organizational network too.

With Infosys Wingspan's Navigator, access dynamic learning paths created for every individual based on roles, skills and their interests.

Get an overview with micro learning content like resources and learning modules or dive deep through a macro learning path with courses and programs.

Enjoy an extensive catalog of videos, PDFs, podcasts, rich HTML & other interactive content formats.

# PERSONALIZE

## MAKE LEARNING PERSONAL WITH GOALS & PLAYLISTS

Through Playlists on Infosys Wingspan, curate learning paths on topics of interest, and share them with peers and teams easily.

Use Learning History to view courses commenced and yet to be completed.

Prime learning fitness by setting Goals. Make use of the Time Spent feature to measure individual performance against the company average.

With gamified learning, win cool Badges and get on top of the learning leaderboard.

# PRACTICE

## AUGMENT LEARNING WITH HANDS-ON PRACTICE AND CODING CHALLENGES

Use Infosys Wingspan's Technology Playground to practice acquired skills for a wide range of technologies on a web browser.

Create an exciting and competitive environment by creating coding Contests and Hackathons with Infosys Wingspan Hands-On.

Make the most of the Hands-On Coding practice and Simulated Labs in a cloud environment.

# ASSESS

## ENHANCE LEARNING WITH ASSESSMENTS & CERTIFICATIONS

Validate what you've learnt through Assessments and Quizzes at the end of each course.

With Virtual Proctored Certifications, get the team certified on trending technologies and skills.

# COLLABORATE & GET GUIDANCE

## MAKE LEARNING A SOCIAL EXPERIENCE WITH COHORTS & LEARNING ASSISTANT

Make learning a social experience with Infosys Wingspan Cohorts. Co-learn with peers and engage with the Experts and Tutors anytime, anywhere.

Also, interact with AI powered voice-enabled Learning Assistant for guided learning.

Ask an expert and engage with educators for query resolutions. Get assistance via blended sessions, live streaming classrooms and discussion forums.

# INSIGHTS

## ENABLE LEARNING WITH INTUITIVE DASHBOARDS & ANALYTICS

Drive impactful learning initiatives with Infosys Wingspan's Telemetry. Monitor learning health metrics, such as time spent on learning and learning progress, through an intuitive dashboard.

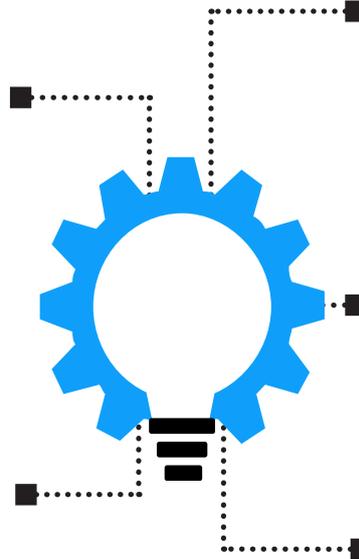

Get a bird's-eye view through personalized dashboards and learning analytics on any topic.

# INFOSYS WINGSPAN

## GO BEYOND CONVENTIONAL LEARNING MANAGEMENT SYSTEM

Infosys Wingspan gives you the ability to design learning content (the content player), not just for IT skills but also for other areas like finance, design, languages and topics related to other domains and processes, so that everyone in an organization benefits.

With on-the-go access, Infosys Wingspan helps accelerate business and employee engagement. Help talent in navigating their next by creating an environment for continuous learning to acquire the right and relevant skills.

With guided and smart onboarding paths, enable new talent to learn from best practices and gear up to meet the immediate needs of an organization.

Promote collaboration between the content creators in an organization and external partners to create your unique learning modules.

Help talent benefit from reaching out to experts and stakeholders as well as provide just-in-time learning on key focus areas.

\* Content creation and paths to be created by respective organization leveraging the platform capabilities.
