

Shareholder information

Corporate

Infosys was incorporated in Pune, in 1981, as Infosys Consultants Private Limited, a private limited company under the Companies Act, 1956. In 1983, the corporate headquarters were relocated to Bengaluru. The name of the Company was changed to Infosys Technologies Private Limited in April 1992 and to Infosys Technologies Limited in June 1992, when the Company became a public limited company. We made an initial public offering in February 1993 and were listed on stock exchanges in India in June 1993. Trading opened at ₹ 145 per share, compared to the IPO price of ₹ 95 per share. In October 1994, we made a private placement of 5,50,000 shares at ₹ 450 each to Foreign Institutional Investors (FIIs), Financial Institutions (FIs) and body corporates.

In March 1999, we issued 20,70,000 American Depositary Shares (ADSs) (equivalent to 10,35,000 equity shares of par value ₹ 10 each) at US \$34 per ADS under the ADS Program, and these ADSs were listed on the NASDAQ National Market.

The above data is unadjusted for stock split and bonus shares. In July 2003, June 2005 and November 2006, we issued secondary-sponsored American Depositary Receipts (ADRs) of US \$294 million, US \$1.1 billion and US \$1.6 billion respectively.

During fiscal 2012, the name of the Company was changed from Infosys Technologies Limited to Infosys Limited to mark the transition from being a technology services provider to a business transformation partner to our clients.

During fiscal 2013, we delisted our ADSs from NASDAQ, and listed them in the New York Stock Exchange (NYSE), Euronext London and Euronext Paris. In March 2018, the Company announced its intention to voluntarily delist its ADSs (ISIN US4567881085) from the Euronext Paris and Euronext London exchanges. The primary reason for seeking the proposed delisting is the low average daily trading volume of Infosys ADSs on these exchanges, which is not commensurate with the related administrative requirements. During the five-year period of the Company's listing on Euronext Paris and Euronext London, the average daily trading volume of the Company's ADSs was significantly lower than its average daily trading volume on the NYSE. The proposed delisting is subject to approval from Euronext Paris S.A. and Euronext London Limited. There will be no change in the Infosys share / ADS count, capital structure and float as a result of the proposed delisting from the above exchanges. Infosys ADSs will continue to be listed on the NYSE under the symbol 'INFY' and investors can continue to trade their ADSs on the NYSE as before.

Subject to the approval of the proposed delisting by Euronext Paris S.A. and Euronext London Limited, a sale facility will be provided by the Company to the holders of ADSs trading on the Euronext Paris and Euronext London exchanges. ADS holders who opt for it will be able to sell their ADSs on the NYSE in accordance with Euronext Paris and Euronext London rules. ADS holders who do not opt for it can continue to retain their ADSs and will be able to trade their ADSs on the NYSE. Further, until the date of completion of the proposed delisting, the ADS holders can continue to trade their ADSs on the Euronext Paris and Euronext London exchanges.
