Infosys Technologies Limited ("Infosys" or "the company") today announced financial results for its first quarter ended June 30, 2006. Revenues for the quarter aggregated \$660 million, up 38.7% from \$476 million for the quarter ended June 30, 2005.

"Our efforts in building the brand, developing the client base, and expanding strategic accounts have fueled our robust organic model," said Nandan M. Nilekani, CEO, President and Managing Director.

Infosys is helping a large semiconductor company address its operational challenges through effective customer data management. A leading hi-tech distributor has lowered its IT support costs by adopting an Infosys shared-services model to provide Oracle ERP support for its multiple operating subsidiaries.

Infosys is working with a large specialty retailer in the US to develop a merchandise planning application that will permit planners to model the sales and inventory plans in real-time for improved decision-making and forecasting.

A Fortune 100 pharmaceutical and medical devices manufacturer is using Infosys' expertise in strategic business transformation initiatives to achieve an efficient world-class IT services sourcing model.

Infosys is defining the product roadmap for corporate actions for **a leading US financial services conglomerate**. Infosys is also helping the company with a buy-or-build analysis.

"We benefited from the depreciation of the rupee against all major currencies during the quarter," said V. Balakrishnan, Chief Financial Officer. "Our margins have been maintained, despite increase in salaries and visa costs. We continue to focus on margins without compromising on investments needed to meet our growth objectives."
