

**REVIEW REPORT TO THE BOARD OF DIRECTORS  
OF INFOSYS TECHNOLOGIES LIMITED**

We have reviewed the accompanying condensed consolidated balance sheet of Infosys Technologies Limited (“the Company”) and subsidiaries as of December 31, 2009, the related condensed consolidated statement of comprehensive income for the three months and nine months ended December 31, 2009, and the related condensed consolidated statements of changes in equity and cash flows for the nine months ended December 31, 2009. These condensed consolidated interim financial statements have been approved by the Board of Directors of the Company and are the responsibility of the Company’s management. Our responsibility is to issue a report on these condensed consolidated interim financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagements (SRE) 2400, “Engagements to Review Financial Statements” issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial statements are not presented fairly, in all material respects in accordance with International Accounting Standard (IAS) 34, “Interim Financial Reporting”.
