For six months ended September 30, 2019

Revenues were \$6,340 million, growth of 10.2% YoY

Operating profit was \$1,338 million, decline of 1.8% YoY. Operating margin was 21.1%.

Basic EPS was \$0.26, growth of 1.6% YoY

"Q2 witnessed another quarter of all-round growth in industry segments and geographies which is a testimony to our strong credentials and client relevance", said **Pravin Rao, COO**. "Large deal wins were \$2.8 bn. We are especially pleased by the reduction in attrition driven by our focus on enhanced employee value proposition."

^{*}USD/INR exchange rate as of September 30, 2019

Press Release

"We saw expansion in operating margins during the quarter driven by improvement in operational parameters and cost efficiencies", said **Nilanjan Roy**, **CFO**. "We took the first step towards implementation of our new capital allocation policy by increasing interim dividend by over 14% compared to FY 19."

2. Capital Allocation

The Company completed its share buyback of ₹8,260 crore on 26th August, 2019. With this the company completed the additional capital return program of upto ₹13,000 crore announced in April 2018.

3. Client wins & Testimonials

- We were selected by Toyota Material Handling North America (TMHNA) for a cloud-based IoT telematics product implementation along with application support and development for its SAP Platform. As the development partner for TMHNA Global Telematics Solution (GTS), an industry leading cloud-based IoT offering, Infosys is enabling remote monitoring and diagnostic capabilities including vehicle access control, system maintenance, condition sensing and location tracking.
- We were selected as a strategic partner by Movement Mortgage, a fast-growing mortgage bank
 in the U.S., to lead its digital transformation and accelerate growth. Infosys will support Movement
 Mortgage's 650 locations in 47 states to ensure the smooth transition of business models in key
 projects, with the aim to increase business volume and leverage the company's fintech services
 to develop mortgage industry specific solutions for Infosys customers.
- In collaboration with Microsoft, we announced a long-term strategic partnership with JG Summit Holdings, Inc., one of the largest and most diversified conglomerates, headquartered in Manila, Philippines. As a technology services partner, Infosys is helping formulate and execute the digital transformation strategy for JG Summit, based on Microsoft Azure, an open, hyper-scale, enterprise-grade cloud platform, along with SAP S/4 HANA. The collaboration will offer JG Summit seamless implementation and migration to Microsoft Azure cloud platform, to develop an agile and robust digital infrastructure for its business processes.
- EdgeVerve Systems, a subsidiary of Infosys, was selected by Al Ahli Bank of Kuwait to steer
 its automation journey using AssistEdge Robotic Process Automation (RPA). We are working the
 bank in their process automation journey, driving cost efficiencies and streamlining its operations.
- We have partnered with one of the largest utility companies to transform its IT Service Management. The program, leveraging ServiceNow, is helping our client significantly improve end-user experience, enhance employee productivity and deliver business agility. Infosys will also deliver a comprehensive solution for organization change management and user training as a part of this program.

4. Recognitions

- Ranked 3 in the Forbes list of The World's Best Regarded Companies for 2019
- Won the United Nations Global Climate Action Award in the 'Climate Neutral Now' category

About Infosys

Infosys is a global leader in next-generation digital services and consulting. We enable clients to navigate their digital transformation, leveraging our teams from over 46 countries. With over three decades of experience in managing the systems and workings of global enterprises, we expertly steer our clients through their digital journey. We do it by enabling the enterprise with an AI-powered core that helps prioritize the execution of change. We also empower the business with agile digital at scale to deliver unprecedented levels of performance and customer delight. Our always-on learning agenda drives their continuous improvement through building and transferring digital skills, expertise, and ideas from our innovation ecosystem.

Visit www.infosys.com to see how Infosys (NYSE: INFY) can help your enterprise navigate your next.

DIGITAL NAVIGATION FRAMEWORK

Safe Harbor

Certain statements mentioned in this release concerning our future growth prospects are forward-looking statements regarding our future business expectations intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, fluctuations in foreign exchange rates, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal or expiration of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property and general economic conditions affecting our industry. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2019. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the Company's filings with the Securities and Exchange Commission and our reports to shareholders. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company unless it is required by law.
