

INFOSYS HOSTS ANALYST MEET

Bangalore, India – August 10, 2000 – Infosys Technologies Limited (NASDAQ: INFY), a leading IT solutions provider, announced that an Analyst Meet was held today at its campus in Electronics City, Hosur Road, Bangalore. The theme of the Analyst Meet was "Leading into the Future". Over 150 analysts and fund managers from all over India attended the meet.

Speaking on the theme, Mr. Nandan M. Nilekani, Managing Director, President and Chief Operating Officer, Infosys, said, "Infosys prides itself on the depth of its management. One of the key areas of focus in Infosys is in creating a whole generation of leaders and mentoring them, with which we can take on the challenge of growth and scalability. Young managers were selected to make presentations on the different facets of the challenges we face."

Various presentations ranging from "Emerging trends in the global IT industry" and "Wireless and broadband technologies" to "Leveraging knowledge and reuse" and "Enabling growth" were made during the day.

The presentation material will be made available at our home page www.infy.com. The presentation material includes the presentations made during the meet, the video archive of the presentation and transcripts of the Question and Answer session after each presentation. The transcript of the Open House with the Board of Directors will also be made available on our home page www.infy.com.
