

Infosys Technologies to Announce Fourth Quarter and Annual Results on April 14, 2006

Bangalore, India and Fremont, California – April 4, 2006 – Infosys Technologies Limited (NASDAQ: INFY), a world leader in consulting and information technology services, will announce results for its Fourth Quarter and Year ended March 31, 2006 on Friday, April 14, 2006, Indian Standard Time (IST) (on the night of Thursday, April 13, 2006, US Eastern Time (ET)). The results will also be available on the Infosys web-site, www.infosys.com.

Following the release, Infosys CEO, President and Managing Director, Mr. Nandan M. Nilekani; COO and Deputy Managing Director, Mr. S. Gopalakrishnan and CFO and Member of the Board, Mr. T. V. Mohandas Pai and other members of senior management will comment on the company's performance. This will be telecast by CNBC-TV 18 to its viewers as a part of its "Boardroom" series direct from Bangalore at 10.30 am. IST on April 14, 2006 (this will not be telecast in the US). An archive of this event can be accessed at www.infosys.com after 2.00 p.m. IST on April 14, 2006 (at 4:30 a.m. US ET on April 14, 2006).

Financial results to mobile phone users in India

Highlights of the results will be made available to mobile phone users in India through SMS and WAP. To access highlights using SMS, kindly type "**R Infosys**" (R space Infosys) or "**Results Infosys**" (Results space Infosys) and send it to 2622 (which is CNBC on your handset).

To access results using WAP in English and Hindi, type in URL <http://mobile.infosys.com/results> from a WAP-enabled phone.

Results on SMS will be available after 10.00 AM and on WAP after 10:30 AM on Friday, April 14, 2006. WAP services are powered by OnMobile Systems Inc, an Infosys-incubated company.

Earnings call (2:00 p.m. – 3:00 p.m. IST)

The company will conduct an hour-long conference call at 2:00 p.m. IST (4:30 a.m. ET) on April 14, 2006, where senior management will discuss the company's performance and answer questions from participants. To participate in the conference call, please dial the numbers provided below five to ten minutes ahead of the scheduled start time. The operator will provide instructions on asking questions before the call. As participation in the call is limited to 100 participants in Mumbai, 20 participants in Bangalore and 25 participants outside India, early registration (by calling the numbers 10-15 minutes before the scheduled start time) is encouraged.

This event will be webcast live on the Internet and an archive can be accessed at www.infosys.com after 5.00 p.m. IST on April 14, 2006 (after 7:30 a.m. US ET on April 14, 2006). A transcript of the conference call will be available at www.infosys.com.

Earnings call with US and European Investors (8:30 a.m. – 9:30 a.m., US ET)

The company will also conduct an hour-long conference call at 8:30 a.m. ET (6:00 p.m. IST) on April 14, 2006, where senior management will discuss the company's performance and answer

questions from participants. To participate in the conference call, please dial 1-800-522-7804 (+1 (706) 643-9620 for callers from outside US / Canada)

The operator will provide instructions on asking questions before the call. As participation in the call is limited to 150 participants, early registration (by calling the numbers 10-15 minutes before the scheduled start time) is encouraged.

This event will be webcast live on the Internet and an archive can be accessed at www.infosys.com after 11.00 a.m. ET on April 14, 2006 (after 8:30 p.m. IST on April 14, 2006). A transcript of the conference call will be available at www.infosys.com.

Fax-on-Demand Service

The quarterly financial results will also be available through a Fax-On-Demand service, which will be operational from 10:00 a.m. IST onwards on Friday, April 14, 2006 (from 12:30 a.m. on April 14, 2006, US ET). This service will be available through facsimile number +91 (80) 2852-0362.

About Infosys Technologies Ltd. (NASDAQ: INFY)

Infosys is a leading global technology services firm founded in 1981. Infosys provides end-to-end business solutions that leverage technology for our clients across the entire software life cycle: consulting, design, development, re-engineering, maintenance, system integration, package evaluation and implementation. In addition, Infosys offers software products to the banking industry, as well as business process management services through its majority-owned subsidiary, Progeon. For more information, contact V. Balakrishnan at +91 (80) 2852 0440 in India or visit us on the World Wide Web at www.infosys.com.

Safe Harbor

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property and general economic conditions affecting our industry. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2005 and on Form 6-K for the quarter ended December 31, 2005. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company.
