

Infosys Technologies to Announce Third Quarter Results on January 13, 2009

Bangalore, India and Fremont, California – December 31, 2008: Infosys Technologies Limited (NASDAQ: INFY), a world leader in consulting and information technology services, will announce results for its Third Quarter ending December 31, 2008 on Tuesday, January 13, 2009, Indian Standard Time (IST) (on the night of Monday, January 12, 2009, US Eastern Time (ET)). The results will also be available on the Infosys website, www.infosys.com.

Following the release, Infosys CEO and Managing Director, Mr. S. Gopalakrishnan; COO, Mr. S.D. Shibulal and CFO, Mr. V. Balakrishnan and other members of the senior management will comment on the company's performance. This will be telecast by CNBC-TV 18 as a part of its "Boardroom" series from Bangalore at 10:30 a.m. IST on January 13, 2009 (this will not be telecast in the US). An archive of this event can be accessed at www.infosys.com after 2:00 p.m. IST on January 13, 2009 (at 3:30 a.m. US ET on January 13, 2009).

Financial results to mobile phone users in India

Highlights of the results will be available through SMS in India. To access highlights using SMS, type "**R Infosys**" (R space Infosys) or "**Results Infosys**" (Results space Infosys) and send it to 52622 (which is CNBC on your handset). Results on SMS will be available after 10:00 a.m. on Tuesday, January 13, 2009.

Earnings call

(2:00 p.m. – 3:00 p.m. IST)

Safe Harbor

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property and general economic conditions affecting our industry. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2008 and on Form 6-K for the quarters ended June 30, 2008 and September 30, 2008. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company.
