

Infosys BPO Recognized at Six Sigma Global Summit

Awarded for Best Achievement of Organizational Business Improvement

Bangalore, India - November 3, 2008: Infosys BPO, the business process outsourcing subsidiary of Infosys Technologies, has been conferred with the “*Best Achievement of Organizational Business Improvement in Transactional Services*” award at the 3rd Annual Global Lean, Six Sigma & Business Improvement Summit held at Orlando, USA.

The Global Six Sigma and Business Improvement Awards recognize the most outstanding organizational achievements through business improvement programs.

Infosys BPO was recognized for its commitment to the deployment of business improvement excellence programs and customer-centric business transformation.

"We are delighted to receive this award. This is a validation of Infosys BPO's continued focus on operational excellence and the sustained efforts of our quality and business transformation team," said **Amitabh Chaudhry, CEO and MD, Infosys BPO.**

The awards are conferred based on criteria such as strategic relevance, value generation, innovation, implementation, customer benefit, and leadership engagement and organizational leadership and learning.

The 2008 Global Six Sigma & Business Improvement Awards were judged by an independent panel of esteemed experts in the Six Sigma arena and business improvement experts and practitioners.
