

Infosys BPO Wins Royal Philips Electronics Breakthrough Award 2009

Bangalore, India – June 03, 2010: Infosys BPO, the business process outsourcing subsidiary of Infosys Technologies today announced that it has won the Breakthrough Award 2009 at the Royal Philips Electronics Global Supplier Awards ceremony held at Eindhoven, in the Netherlands.

The Royal Philips Electronics Global Supplier Awards publicly recognize the contribution that suppliers make to the success of the company. The awards acknowledge the critical role that suppliers play in helping the company meet the challenge of ensuring supply continuity and delivering innovative, cost-effective products of unequalled quality to fulfill the growing demands of the company.

Infosys BPO was awarded for several strategic initiatives it undertook during the course of 2009, such as joint implementation of transaction based pricing, transitioning of activities to offshore centers in India and China, enabling Philips to cut costs and harmonize processes, and opening a new delivery center in Brazil to service Philips in the LATAM region.

(Swami) Swaminathan, CEO & MD, Infosys BPO, said, “Royal Philips Electronics is one of our largest clients and we are honoured to have been recognized as a strategic supplier for the company. As an organization, we have strived to be flexible, continuously focussing on transformational initiatives while concentrating on service delivery. This award is not only a recognition of our efforts thus far, but evidence of our long-term partnership with Philips.”

About Royal Philips Electronics:

Royal Philips Electronics of the Netherlands (NYSE: PHG, AEX: PHI) is a diversified Health and Well-being company, focused on improving people’s lives through timely innovations. As a world leader in healthcare, lifestyle and lighting, Philips integrates technologies and design into people-centric solutions, based on fundamental customer insights and the brand promise of “sense and simplicity”. Headquartered in the Netherlands, Philips employs more than 116,000 employees in more than 60 countries worldwide. With sales of EUR 23 billion in 2009, the company is a market leader in cardiac care, acute care and home healthcare, energy efficient lighting solutions and new lighting applications, as well as lifestyle products for personal well-being and pleasure with strong leadership positions in flat TV, male shaving and grooming, portable entertainment and oral healthcare.
