

Infosys Wins 2012 IT Partner of the Year Award from Analog Devices

Infosys recognized for Delivering Measurable Business Value

Bridgewater, NJ – May 8, 2012 - Infosys today announced that it has received the 2012 IT Partner of the Year Award from [Analog Devices](#) (NYSE: ADI), a global leader in high-performance semiconductors for signal processing applications.

Infosys and Analog Devices have been partners for more than 10 years. The relationship has expanded continuously due to Infosys excellence in service delivery and superior business results.

The 2012 IT Partner of the Year Award recognizes outstanding performance from Infosys in delivering consistent business value with agility and exceptional quality.

Infosys is the only technology and consulting company among 20 contenders to receive the 2012 IT Partner of the Year Award. Analog Devices commends Infosys for enabling process simplification, sales effectiveness, global standardization, faster response time and higher availability of services.

Quotes

“We would like to congratulate Infosys as a longtime and valued partner for receiving the 2012 IT Partner of the Year Award. Infosys has provided exceptional service across our value chain executing several complex engagements on a very aggressive timescale.”

- Peter Forte, CIO, Analog Devices

“High-tech companies world over are witnessing fluctuating demand, rising costs, frequent supply chain disruptions and changing customer needs. We understand these challenges and strive to minimize their impact on business. We look forward to continuing and growing our strong relationship with Analog Devices”

- Sanjay Jalona, Senior Vice President, High-Tech & Manufacturing, Infosys
