

Infosys Completes Acquisition of Lodestone Holding AG

Agreement creates world-class team to accelerate transformation and innovation-led growth

Bangalore, October 22, 2012 – Infosys, a global leader in consulting and technology, today announced it has completed the acquisition of Lodestone Holding AG, a leading management consultancy based in Switzerland.

The acquisition is in accordance with the terms set out in the [agreement announced on September 10](#). The deal strengthens the management consulting capabilities of Infosys around the world, adding more than 750 experienced consultants and 200 clients in wide-ranging areas such as manufacturing and the automotive and life sciences industries.

“Our clients are looking for help driving the transformations that will allow them to be successful in a challenging and dynamic market,” said Mr. S.D. Shibulal, CEO & Managing Director, Infosys. “Combining our global scale with Lodestone’s consulting heritage creates a world-class team that can bring clients a broad spectrum of capabilities across consulting, systems integration, and outsourcing.”
