PRESS RELEASE

Infosys is a Leader in Gartner's Magic Quadrant for Oracle Application Implementation Services

Bangalore — September 23, 2013: Infosys has been positioned as a leader in Gartner's **Magic Quadrant for Oracle Application Implementation Services, Worldwide, 2013**.

Authored by Alex Soejarto and Susanne Matson on September 16, 2013, the Magic Quadrant compares and evaluates 14 service providers in consulting and implementation services on their capabilities to successfully implement Oracle Application products for buyers of enterprise application solutions.

According to Gartner, 'Leaders' are performing well today, gaining traction and mindshare in the market; they have a clear vision of market direction, are helping clients beyond product roadmaps, and are actively building competencies to sustain their leadership position in the market.

Highlights

- This positioning recognizes Infosys for its ability to execute and completeness of vision
- Evaluation criteria for this Magic Quadrant:
  Ability to execute: IT Services providers are evaluated on the quality and efficacy of their processes, systems, methods or procedures that enable IT performance to be competitive, efficient and effective, and to positively impact revenue, retention and reputation
  Completeness of vision: IT services providers are evaluated on their ability to convincingly articulate logical statements about current and future market direction, innovation, customer needs, and competitive forces and how well they map to the Gartner position
