

Infosys to Webcast AGM proceedings on June 12, 1999

Bangalore, India - June 10, 1999 - Infosys Technologies Limited today announced that it will broadcast live on the Internet, the proceedings of the Annual General Meeting (AGM) of the shareholders to be held on June 12, 1999 at 3.00 p.m., Indian Standard Time (IST).

Mr. N. R. Narayana Murthy, Chairman and Chief Executive Officer, Infosys Technologies Limited, said: "This is the first AGM after our listing on the NASDAQ. We are happy that investors across the globe would be able to witness live as important a shareholder event as the AGM. The webcast would provide worldwide live access to the proceedings of the AGM to our global investor community."

The proceedings will be webcast on **www.itinfosys.com**, **www.broadcast.com** and **www.nasdaq-amex.com**.

Instructions to view the broadcast

1. Use any of the following browsers
 - Netscape Navigator Gold (ver 3.01 and above)
 - Internet Explorer (ver 3.02 and above)
2. 'RealPlayer' software is necessary to view the broadcast live. In case you do not have the software installed on your computer, please download the same from www.real.com
3. On entering the Infosys home page, click on the appropriate link to see the proceedings of the AGM live.

The reception quality of the webcast will depend on the speed and quality of the user's Internet connection. Users may also access information on the 'Webcast' section on the Infosys home page at www.itinfosys.com.
