

## Infosys Honored with Oracle Titan Partner Award at Oracle® OpenWorld 2009

*Recognized for Co-Developing Price-Protection Solution with Oracle*

**Bangalore, India - October 13, 2009:** Infosys Technologies Limited (NASDAQ: INFY) today announced that it has been named a winner of a North America Oracle Titan Award during Oracle® OpenWorld 2009. Oracle has recognized their leading partners for outstanding solutions and business practices developed or delivered in fiscal year 2009.

“We are honored to be recognized by Oracle as a Titan Award winner and proud to receive this award for our successful implementation with a leading global high tech distributor,” said Chandrashekar Kakal, Senior Vice President and Global Head, Enterprise Solutions, Infosys. “This award reflects our strong relationship with Oracle, our deep knowledge of their solutions and Oracle’s trust in Infosys to consistently deliver the highest quality of service to our mutual customers.”

Since the beginning of the relationship, Infosys and Oracle have been dedicated to high quality joint solutions. Infosys’ successful implementation of the Oracle Price-Protection solution has earned it the Titan Partner award. The solution allows manufacturers and distributors across industries to automate and control multiple business processes that are essential to creating and executing price protection transactions. Customers are seeing the benefits of these solutions, which enable higher profitability margins, greater accuracy in inventory calculation and increased efficiency and productivity.

Infosys’ end-to-end solutions span the automotive, energy, aerospace, banking, communications, healthcare, high tech, manufacturing and retail industries. The solutions Infosys offers, along with Oracle’s extensive product suite, provide clients with the ability to solve their most critical problems and transform the core of their business. With a force of more than 21,000 Oracle consultants and more than 10,000 certifications, Infosys has helped set up more than 20 Centers of Excellence (COE) showcasing Oracle technologies. The services Infosys provides through these COEs range from package evaluation, package assurance, enterprise risk management, global rollouts and implementation.

“Infosys continues to be an important partner of ours across multiple geographies and vertical markets delivering successful implementations to our joint customers,” said Tyler Prince, Group Vice President, Oracle North America Applications and Public Sector Channel Sales.

Infosys is an Oracle Certified Advantage Partner under the Oracle Partner Network. As a Diamond Sponsor of Oracle OpenWorld this year, Infosys’ CEO, S. Gopalakrishnan, will be keynoting at Oracle OpenWorld on Wednesday, October 14 at 2:00 pm PT, addressing the 'Seven Game Changing Trends' that are dominating the current macro-environment and strategies for companies to increase competitiveness.
