

Infosys Technologies to Announce Second Quarter Results on October 09, 2009

Bangalore, India and Fremont, California – September 24, 2009: Infosys Technologies Limited (NASDAQ: INFY), a world leader in consulting and information technology services, will announce results for its second quarter ended September 30, 2009 on Friday, October 09, 2009, Indian Standard Time (IST) (on the night of Thursday, October 08, 2009, US Eastern Time (ET)). The results will also be available on Infosys' website, www.infosys.com.

Following the release, Infosys' CEO and Managing Director, Mr. S. Gopalakrishnan, COO, Mr. S.D. Shibulal, and CFO, Mr. V. Balakrishnan, and other members of the senior management will comment on the company's performance. This will be telecast by CNBC-TV 18 as part of its 'Boardroom' series from Bangalore at 10:30 a.m. IST on October 09, 2009 (this will not be telecast in the US). An archive of this event will be uploaded on www.infosys.com after 2:00 p.m. IST on October 09, 2009 (after 4:30 a.m. US ET on October 09, 2009).

Financial results to mobile phone users in India

Highlights of the results will be made available to mobile phone users in India through SMS. To access the highlights on SMS, type "**R Infosys**" ("R" space "Infosys") or "**Results Infosys**" ("Results" space "Infosys") and send it to 51818 (which is CNBC on your handset). Results on SMS will be available after 10:00 a.m. on Friday, October 09, 2009.

Safe Harbor

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks and uncertainties that could cause

actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property and general economic conditions affecting our industry. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2009 and on Form 6-K for the quarter ended June 30, 2009 . These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company.
