

Infosys Wins Three Prestigious Oracle Excellence Awards

Infosys wins Oracle Specialized Partner of the Year in Financial Management and Human Capital Management awards. Oracle also recognizes Ricoh Europe, an Infosys Business Partner, for an Oracle Excellence Award: Eco-Enterprise Innovation.

SAN FRANCISCO, October 4, 2012 – Oracle today presented Infosys with the Oracle Excellence Award for Specialized Partner of the Year – North America in both the Financial Management and Human Capital Management categories. It also recognized Ricoh, an Infosys Business Partner, for an **Oracle Excellence Award: Eco-Enterprise Innovation**.

Oracle Excellence Award: Eco-Enterprise Innovation recognizes customers for reducing their environmental footprints while reducing costs using Oracle products. Working with Infosys and using Oracle's ERP and CRM platform and underlying technology, Ricoh Europe eliminated approximately 1,400 servers as part of its transformation, shrinking its carbon footprint by 85 percent. Ricoh's carbon dioxide reduction of 19,000 tons is equivalent to taking 106 cars off the road.

"We wanted the most secure infrastructure without increasing our carbon emissions," said Ian Winham, Executive Vice President and Chief Financial Officer at Ricoh Europe. "Infosys helped us achieve these goals. Like Infosys, we firmly believe that sustainability, innovation and profitability sit together at the core of our company."
