Is your organization compliance-ready?

GRC Trends

Why do you need compliance?

- Siloed organization, distributed tools and manual processes
- Lack of visibility into compliance issues
- Lack of visibility into enterprise and vendor risk and inability to prioritize
- Changing regulatory requirements and controls
- Gaps between business requirements, risk appetite and information security posture
- Businesses in the U.S. spent $10,000 per employee on regulatory costs on an average
- Enterprises in the U.S. spent $520,000 on an average on an average for putting a formal compliance charter in place
- Technologies saved businesses $1.43 million on an average for enabling GRC
- The average compliance cost for organizations across industries is $5.47 million worldwide
- The Enterprise Governance, Risk & Compliance (eGRC) market to reach USD 57.57 billion by 2025
