

COUPA IMPLEMENTATION AND BUSINESS TRANSFORMATION FOR A LEADING AUTOMOBILE MANUFACTURER

Abstract

For a leading automobile manufacturer, Infosys helped the client to transform their procurement functions using COUPA

Infosys Solution

- Infosys Portland was engaged due to our ability to offer a unique combination of P2P consulting and Coupa expertise
- Conducted stakeholder interviews including Finance, Procurement and end users to understand the existing processes
- Designed “to-be” processes to leverage the wide ranging capability of Procurement and Expense Management modules of the Coupa
- Configured and tested Coupa Procurement and Expenses solution
- Advised on change management and provided communication templates

Benefits to customer

- New Purchasing and Expense Management System (Coupa) went live in Australia in Sep 2016
- Coupa improved the overall purchasing and expense processes within the organisation. Increased pre-approved spend and improved overall budget management
